CANADA'S MOST-AWARDED² AND BEST-SELLING MINIVAN FOR OVER 35 YEARS

We are minivan experts. We created the segment and gave drivers the family-hauling option they were missing. When the very first minivan rolled off the assembly line, it was right here in Canada. More than 35 years later, it's still this country's Most-Awarded² and Best-Selling minivan. Our minivans – Dodge Grand Caravan and Chrysler Pacifica – are masters of innovation, curators of versatility and procurers of practicality. Our safety, security and technology features work together to give you peace of mind on every trip.

Whether you decide on a Grand Caravan or Pacifica, you can rest assured your minivan offers all the available features we've been known for, such as: Stow 'n Go, dual power-sliding side doors and power liftgate, touchscreen connectivity, rear-seat entertainment and so much more. Let the experts at Canada's Minivan Store help you find the right model for your lifestyle.

CANADA'S MINIVAN STORE

GRAND CARAVAN

CANADA'S BEST-SELLING MINIVAN FOR OVER 35 YEARS

SEATING¹

MAKE ALL LIFE'S MOMENTS EASIER

Carpooling is a breeze with seven-passenger seating. Hauling bulky materials from the hardware store isn't a chore with up to 3,973 L (140 cu-ft) of cargo space. Loading and unloading everything needed for the perfect getaway is easy with available dual power-sliding side doors and an available power liftgate. Whatever you have on your to-do list, Grand Caravan helps you get it done smarter and easier. Loaded with flexible seating and more than 65 standard and available safety and security features, this is the minivan that proudly holds the confidence of families with ease.

GT shown in Brilliant Black Crystal Pearl

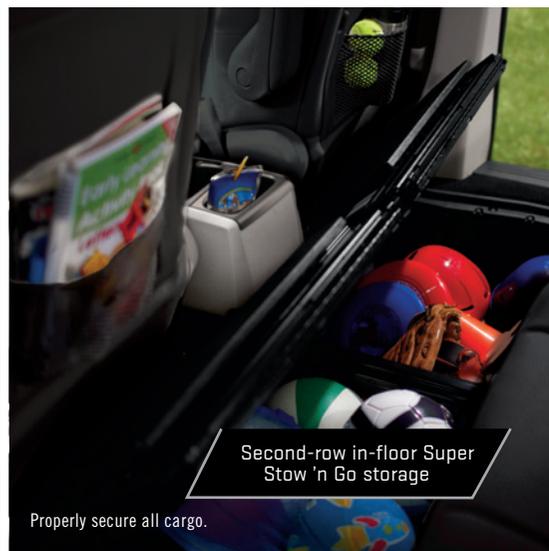

Properly secure all cargo.

DESIGNED FOR FULL-OF-LIFE FAMILIES

Premium Plus interior shown in Black

This is an interior that's built with all the space you need for all the things you want to do. Travel with ease when your gear is tucked away neatly. Ride in comfort with flexible seating and superior craftsmanship. Relax with tunes on the available touchscreen radio. Soft-touch surfaces, steering-wheel-mounted cruise and audio controls, and a sleek, functional dash welcome every driver. Opt for conveniences like heated front-row seats, a full-circumference heated steering wheel and Tri-Zone Automatic Temperature Control for optimum comfort. The available dual power-sliding side doors, power liftgate and Super Stow 'n Go[®] seating let you load your precious cargo easily.

Second-row in-floor Super Stow 'n Go storage

Properly secure all cargo.

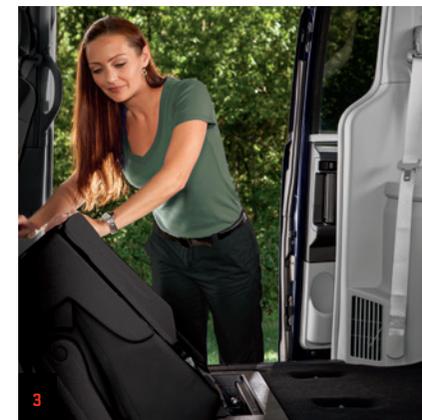

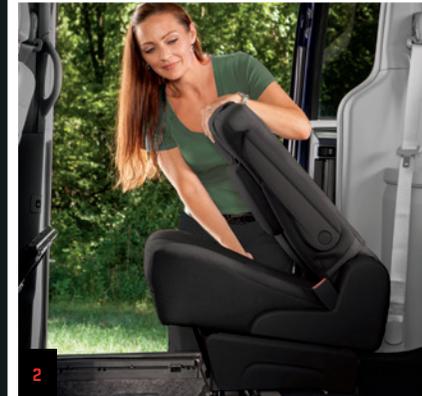

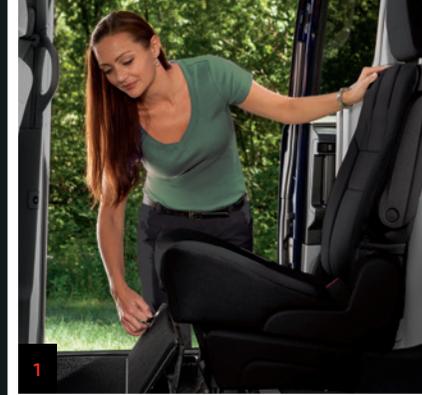

Super Stow 'n Go® fold-in-floor seats

1-2-3-4

Here's how easy it is to fold one of the second-row seats into the floor:

- 1 Ensure the headrests are down.
- 2 Pull the side handle to move the seat to the folded position.
- 3 Move the carpet, open the floor lid and push the seat down.
- 4 Close the floor lid. It's just that easy.

CLASS-EXCLUSIVE STOW 'N GO

Four steps, 81 seating configurations, endless possibilities. Grand Caravan is the only vehicle in its class¹ with available second-row Super Stow 'n Go, which means you can flip, fold and tumble your way to the perfect ratio of passenger and cargo capacity.

When the seats are upright, travel essentials can be tucked away in the second-row, in-floor storage bins for uncluttered access to the third-row seats – making life easier, especially for those helping little ones into child restraint seats.

The available 60/40 split-folding Stow 'n Go third-row seats also fold into the floor bin with a few easy pulls on the conveniently numbered straps. When the vehicle is in Park, the seats can flip completely rearward for tailgate seating.

81 SEATING CONFIGURATIONS

Interior seat colour shown is not available. Please see page 17 for current interior choices.

DEDICATED TO THE DETAILS

It's the little touches that give this minivan big impact. The spacious dual-zone glove box boasts an available charging port in the upper area and is the perfect place to keep electronics out of sight and protected. Available features like the Super Console not only create in-vehicle organization, but the stylish tambour doors conceal items and provide a sleek look. For extra convenience, a large storage drawer can also be accessed by both first- and second-row passengers. Even the 60/40 split-folding third-row seat has a trick up its sleeve. Opt for the available Class-Exclusive tailgate seating¹ that allows the seats to flip completely rearward into the tailgate position. With features like these, it's not surprising fans have been coming back for more than 35 years.

Properly secure all cargo.

Super Console with hidden storage

Dual-zone glove box

EASY-ACCESS STORAGE

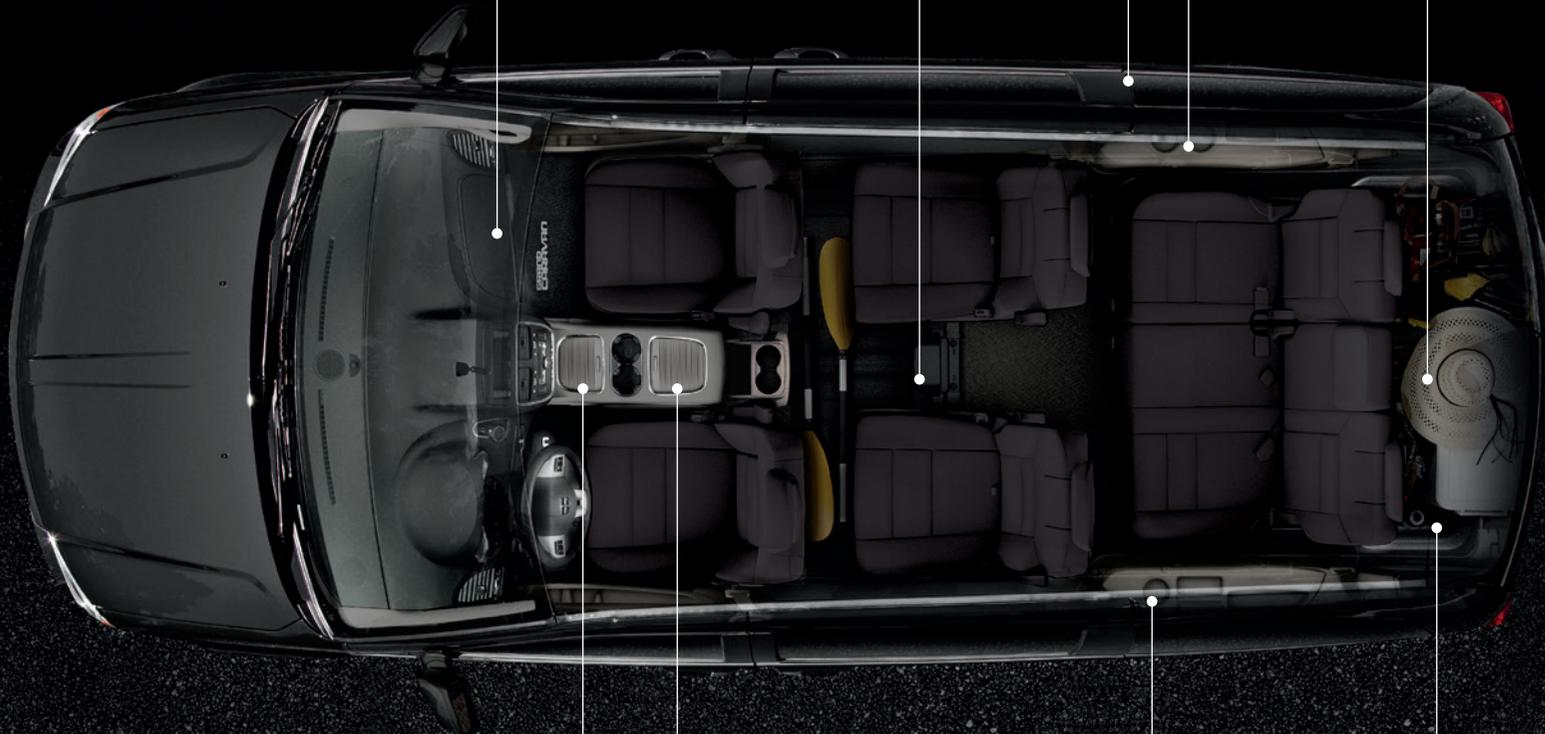

Dual-zone glove box

Super Stow 'n Go® in-floor storage

Overhead bins

11 cup holders

Stow 'n Go in-floor storage

Centre console pass-through storage

Super Console with hidden storage

Storage cubbies

Innovative storage leaves everything to the imagination and nothing out of place. If you need to bring it, odds are Grand Caravan has a place for it. Up front, the available Super Console with unexposed storage is perfect for keeping track of small items and is within arm's reach of the driver for easy access.

When the available second-row Super Stow 'n Go seats are upright, their bins become underfloor treasure chests where essential travel gear is neatly tucked away.

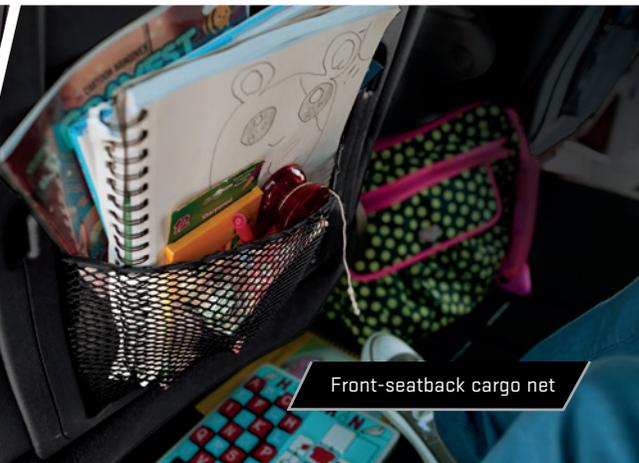

In addition to concealed storage, Grand Caravan also boasts ample storage behind the third-row seats, in front-seatback cargo nets and in-door map pockets.

Rear Stow 'n Go in-floor storage

Storage behind the third-row seat

Front-seatback cargo net

Uconnect®

RADIO

NAV⁵

PHONE⁶

VOICE⁶

MORE TECH = MORE FUN

Every road trip needs an epic playlist. Access your tunes via the standard auxiliary audio input jack or opt for the available Bluetooth® with remote USB port to stream audio from compatible devices.⁵ Available SiriusXM⁴ includes a one-year subscription and features favourite song, artist and game alerts as well as replay.

Navigating the world around you is simple when you opt for Garmin® navigation.⁵ The system helps locate nearby points of interest and provides user-friendly directions, including lane guidance.

There are several levels of available multimedia centres, and each one offers essential features to keep you entertained. User-friendly icons on the available 6.5-inch touchscreen provide controls for the AM/FM radio, personal devices like an iPod and Bluetooth compatible phone, as well as available SiriusXM⁴ and navigation⁵ capability. Available hands-free communication⁶ allows you to use your voice to select AM/FM radio stations and SiriusXM⁴ channels, as well as make/receive calls and send/receive text messages with a paired, compatible phone.⁶

KEEP THINGS ENTERTAINING

There's no doubt that a fun ride equals a tranquil ride. In Grand Caravan, second- and third-row passengers can pass the time peacefully while watching movies in high quality on a 9-inch screen when you opt for the Single-DVD Entertainment System with wireless headphones and remote control.

Models equipped with the DVD system also feature an HDMI input. When the show's over, passengers can tap into the entertainment system and hook up portable, compatible gaming systems for some friendly competition. Conveniently located ports let rear-seat passengers charge electronic devices via dual USB ports, a 12-volt auxiliary power outlet and a 115-volt, two-prong power outlet.

Virtually any music player, including most smartphones, can plug directly into the available remote USB port. The music can even be controlled through steering-wheel-mounted buttons.

Single-DVD Entertainment System

POWERFUL 3.6L PENTASTAR™ V6 ENGINE*

Crew shown in Billet Metallic

Take control of any situation with the performance that comes from 283 horsepower, 260 lb-ft of torque and the ability to tow up to an impressive 1,633 kg (3,600 lb) when properly equipped. Advanced engine technology allows for fuel economy as efficient as 9.4 L/100 km (30 mpg) highway[†], which translates to a driving range up to an estimated 800 km (497 mi) highway on a single tank of gas[‡].

The suspension tuning, an efficient and easy-to-operate gated shifter, plus fuel-economizer features that alter shift patterns all work together to boost overall ride quality and help improve real-world fuel efficiency.

*WardsAuto "10 Best Engines" winner in 2011, 2012 and 2013. [†]See page 20 for full fuel economy details. [‡]Driving range based on 2020 *EnerGuide* highway fuel consumption ratings and fuel-tank capacity. Your actual driving range will vary based on powertrain, driving habits and other factors.

IMPRESSIVE 3,600-LB (1,633-KG) TOWING

Premium Plus shown in Brilliant Black Crystal Pearl

Its towing, up to an impressive 1,633 kg (3,600 lb), lets you confidently take the boat to the lake or the toys to the track. When you're pulling that much weight, it's comforting to know that Grand Caravan has standard Trailer Sway Control (TSC). This system helps you maintain control of the vehicle by using sensors to detect excessive sway and automatically take steps to reduce it.

SAFETY, SECURITY AND FREEDOM

SXT Blacktop Appearance Package shown in Billet Metallic

65+

STANDARD AND AVAILABLE SAFETY & SECURITY FEATURES

PARKVIEW® REAR BACK-UP CAMERA⁷

This system displays an accurate visual reference of what is behind your vehicle when the vehicle is in Reverse. It includes on-screen grid lines to show the proximity of the vehicle to obstacles.* Standard.

*Camera display in rearview mirror when not equipped with the 6.5-inch touchscreen.

ELECTRONIC STABILITY CONTROL (ESC)⁹

In adverse conditions, ESC with Electronic Brake Assist works with the advanced All-Speed Traction Control System to help the driver maintain vehicle directional stability and limit oversteering or understeering. Standard.

BLIND-SPOT MONITORING (BSM) WITH REAR CROSS-PATH DETECTION⁷

Dual radar sensors are constantly monitoring driver blind spots, providing notification of an encroaching vehicle via illuminating icons on the appropriate sideview mirror and by an audible chime if the turn signal is activated. The system includes Rear Cross-Path Detection, which monitors for vehicles/objects in perpendicular relationships to the vehicle – for example, while backing out of tight parking spots. Available.

SEVEN-PASSENGER AIR BAGS¹⁰

In the event of a collision, side-curtain air bags and front-seat-mounted side air bags deploy, blanketing outboard positions in all three rows of seating. A driver's knee blocker increases driver-impact protection by offering upper-leg protection as well as helping position the driver relative to the front air bag. Advanced multistage front air bags inflate with a force appropriate to the severity of the impact. Standard.

PARK-SENSE® REAR PARK ASSIST SYSTEM⁷

When the vehicle is in Reverse, rear sensors help detect the presence of objects within two metres of the rear pathway and provide both an audible chime and a visual warning. Available.

TRAILER SWAY CONTROL (TSC)

Utilizing sensors, this system recognizes when sway unique to trailering is occurring. The system then helps correct the sway by alternately applying brake pressure on the wheels. Standard.

ACTIVE FRONT HEAD RESTRAINTS⁸

Active front head restraints automatically move forward and upward in the event of a rear-end collision to help decrease the space between the head restraint and the occupant's head, helping provide added neck protection for both the driver and front passenger. Standard.

CVP

POWERTRAIN

- 3.6L Pentastar™ Variable Valve Timing (VVT) V6 engine with 6-speed automatic transmission
- Front-Wheel Drive (FWD)

STANDARD EQUIPMENT

INTERIOR AMENITIES

- Air conditioning with front Dual-Zone Manual Temperature Control and air filtering

Based on automotive awards for minivans 1984 through 2019. 3. Based on IHS Markit Automotive Canadian New Vehicle Total Registrations for combined years CY 2014 to current year to date CYTD September 2019. 4. Requires SiriusXM radio subscriptions governed by Sirius terms and conditions available at siriusxm.ca. 5. Never program while driving. GPS mapping and available 3D navigation may not be detailed or available in all areas or reflect current road regulations. 6. Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Voice commands of phone require a Bluetooth compatible phone. 7. This is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of his/her surroundings and be prepared to take corrective action to avoid collisions. 8. Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint. 9. No system can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. 10. The Advanced Front Air Bags in this vehicle are certified to the Federal regulations for Advanced Air Bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. 11. Vehicle must be locked and system activated for alarm to sound. 12. Not compatible with all garage door openers.
