Dealer's Message

We are open for business and taking proactive and preventative measures for the health and safety of our Customers, Community, and Employees. We have implemented sanitation policies and reduced working hours. We were able to do 3-6 months of no payments on vehicles and can do up to \$25,000 cash back. We have also introduced our At Home Test Drive Program. We will make sure the vehicle is cleaned and sanitized prior to viewing. Please inquire for more details. &br'Welcome to Wille Dodge, a family-owned dealership with over 42 years of experience serving drivers in Victoria, Vancouver Island, and all throughout the Metro Vancouver region. Once you do step through our doors, you'll discover that there's a lot more to the Wille Dodge experience than just a great selection of cars, trucks, SUVs, and vans. Every member of our team is dedicated to creating a superior customer experience and a stress-free environment where every question is answered with speed, courtesy, and knowledge. Through our 42 years in the auto business, we've realized that for many drivers, buying a new or pre-owned vehicle can be intimidating. One major way that we've distinguished ourselves among other FCA dealers is by doing things a little differently. We don't believe in old-fashioned sales tactics like the hard sell. Instead, we believe that an informed customer is an empowered customer. It begins with the detailed vehicle profiles you can find in our online inventory, and it extends to every step of the sales, financing, and service experience. Put the Wille Dodge team to the test and we're sure you'll like what you see. Whether you're looking for a better path to an affordable vehicle or quick, courteous auto service, we'll be glad to help! &br'&br'+\$992.00 dec and motor dealer license#5881
