COMPASS

WHERE YOUR ADVENTURES BEGIN

COMPASS

Welcome to the stylishly efficient 2015 Jeep® Compass, one of the most affordable SUVs in Canada! Compass incorporates legendary Jeep brand capability and power with a unique presence that's unlike any other on the road. Its refined interior styling is complemented by spacious versatility and the most rear-seat legroom in its segment,² while exterior design cues are inspired by the elegant Jeep Grand Cherokee. No matter what adventure lies ahead, Compass stands ready.

Compass Limited shown in Deep Cherry Red Crystal Pearl

TRAIL RATED®

The available Trail Rated fortitude of Jeep® Compass gives you the ability to courageously take on the road, trail or stream with confidence. This badge of honour is only bestowed after the vehicle masters a series of gruelling tests on the toughest of terrain in five distinct categories: traction, articulation, manoeuvrability, water fording³ and ground clearance.

Compass North Edition shown in Deep Cherry Red Crystal Pearl

BORN WITH THE BRAWN TO GO WHERE OTHERS ONLY DREAM OF REACHING

FREEDOM DRIVE I®

When snow, muddy roads or steep gravel describes your route, opt for Freedom Drive I. The active, full-time 4WD capability with LOCK mode features an Electronically Controlled Coupling, which constantly monitors wheel slippage and transfers torque to the axle that can use it most. In tough conditions, the system can be locked 50/50 front/rear for added low-speed capability and control. Available.

FREEDOM DRIVE II®

Experience Trail Rated® capability with features like full-time 4WD with LOCK mode, Off-Road mode with Hill Descent Control and brake traction control. Torque is adjusted on demand for added fuel efficiency. Its all-weather capability expertly handles more difficult off-road situations, as well as deeper snow, mud, and water up to 48 cm (19 in.).³ Available.

SIX-SPEED AUTOMATIC

The available PowerTech six-speed automatic transmission provides a smooth, quiet ride whether you're travelling on road or trail. A stepped shift schedule across all six gears is designed for optimal city fuel economy; its low first gear allows for quicker takeoffs and a tall top gear ensures relaxed highway cruising. Its fill-for-life design helps reduce maintenance costs and environmental impact.

CONTINUOUSLY VARIABLE AUTOMATIC TRANSAXLE II (CVT2)

This available system boasts a low range that provides the torque multiplication needed for water fording³, managing steep grades and crawling slowly in off-road events. Its Off-Road mode delivers an off-road-capable 19:1 crawl ratio.

READY TO DELIVER A PERFECT RIDE FIT FOR ANY ADVENTURE

Compass Limited shown in Saddle Tan

FINE TUNED FOR URBAN ADVENTURE

Slide into Compass' skillfully designed interior and be treated to all the style, amenities and roominess you require. Premium fabrics and stylish accent stitching adorn the doors and centre armrest. Front and rear door trims feature available Satin Silver touches, and the shift knob sports a soft-touch finish and Satin Chrome accents. Since every adventure needs a great soundtrack, opt for the premium audio system with nine Boston Acoustics® speakers, including a subwoofer and two articulating liftgate speakers.

SPATIALLY CONSCIOUS

Compass' interior is designed to achieve the optimal ratio of guests and gear. Rear-seat passengers will appreciate the best-in-class² legroom. Everyday necessities easily fit in the cargo space behind the second row. Fold down the two split-folding fold-flat rear seatbacks to reveal a generous 1,515 litres (53.5 cu ft) of cargo space, enough to fit everything needed for a week-long camping trip.

Compass Limited shown in Dark Slate Grey

STYLED TO LEAVE A FAR-REACHING IMPRESSION

From sandy beaches to city streets, Compass North Edition takes you there in comfortable style, with well-chosen amenities like a height-adjustable driver's seat, Sport mesh cloth seats and air conditioning. Passenger comfort abounds, thanks to rear seats that recline up to 12 degrees. The appearance is exceptionally distinctive, with a bright grille, body-colour mirrors, a "North Edition" liftgate badge and deep-tint sunscreen glass. Fold-flat rear seats allow for impressive cargo- and passenger-carrying versatility. For even greater value and cabin comforts, opt for the Security and Cargo Convenience Group or the new High Altitude Group (late availability).

Compass North Edition shown in Bright White

SPORT This is where thoughtful interior design meets smart value. Cabin comforts for everyone start with premium cloth and soft-touch surfaces. You'll appreciate the performance from the standard 2.0L VVT I-4 engine paired with a five-speed manual transmission. This combination delivers up to 7.8 L/100 km* for efficient highway travel and smooth handling. Projector fog lamps and 16-inch aluminum wheels add to Sport's natural good looks. The acoustic windshield provides a peaceful interior by minimizing road noise. Safety comes standard with the four-wheel antilock brake system and Electronic Stability Control⁴ System with Electronic Roll Mitigation, Hill Start Assist, Brake Assist and Electronic Brake-force Distribution.

*See page 15 for fuel economy details.

LIMITED Premium comfort and style is yours for the taking with Compass Limited's beautiful interior. You'll arrive with a long list of standard luxuries, including automatic temperature control, heated front seats, leather-faced seating with perforated inserts, a leather-wrapped steering wheel and a six-way power adjustable driver's seat with lumbar adjustment. The elegance stretches out to the exterior with 18-inch aluminum wheels, bi-function halogen projector headlamps and chrome-accented fog lamps and grille inserts. SiriusXM satellite radio⁵ including a one-year subscription, also comes standard.

UP TO 7.8 L/100 KM*

Compass Limited shown in Billet Metallic

ALL ROADS LEAD TO PEACE OF MIND

With over 30 safety and security features on Jeep® Compass, it's safe to say this vehicle has your front, sides and back.

PARKVIEW® REAR BACK-UP CAMERA! This system displays an accurate visual reference of what is behind your vehicle when in Reverse and includes dynamic grid lines to show the proximity of your vehicle to any detected obstacles. Available.

HEATED POWER EXTERIOR MIRRORS. Melt snow and ice off your sideview mirrors as you warm up your interior. This feature also helps to keep your mirrors ice-free as you drive. Available.

ELECTRONIC STABILITY CONTROL (ESC)! This standard system is designed to assist drivers in maintaining control of their vehicle at all times. It integrates a four-wheel Antilock Brake System (ABS) with Brake Assist, all-speed traction control and Electronic Roll Mitigation to constantly monitor driver input against the vehicle's actual course. When needed, the system automatically helps provide braking to the appropriate wheels and reduces engine power when overly sharp steering and/or impending wheel lift is detected.

FRONT SEAT-MOUNTED SIDE AIR BAGS! Each side air bag has its own sensor to autonomously trigger the air bag on the side where the impact occurs. Standard.

ADVANCED MULTISTAGE FRONT AND SIDE-CURTAIN AIR BAGS! These standard air bags provide nearly instantaneous occupant protection by matching air bag output to impact severity.

BI-FUNCTION HALOGEN PROJECTOR HEADLAMPS. Almost two times brighter in high beam compared to a halogen lamp, these bi-function headlamps result in improved visibility at night or during inclement weather. Available.

TIRE PRESSURE MONITORING SYSTEM. These standard embedded sensors continuously monitor the pressure in the tires and will immediately notify the driver when any level drops below the minimum acceptable level.

HILL START ASSIST (HSA). HSA helps prevent vehicle roll when starting on an up- or downhill gradient by holding the brakes for two seconds after the driver's removed his/her foot from the brake pedal, allowing time to apply the throttle. Standard on manual transmission models and included with the Trail Rated® Freedom Drive II® Off-Road Group.

ACTIVE FRONT HEAD RESTRAINTS! In the event of a rear-end collision, the head restraints move forward and upward to decrease the space between the head restraint and the occupant's head, thereby helping to reduce the chance of injury. Standard.

SENTRY KEY® ANTITHEFT ENGINE IMMOBILIZER. This standard system disables the engine when the encoded key is not within range. Operation is automatic, regardless of whether the vehicle is locked or not.

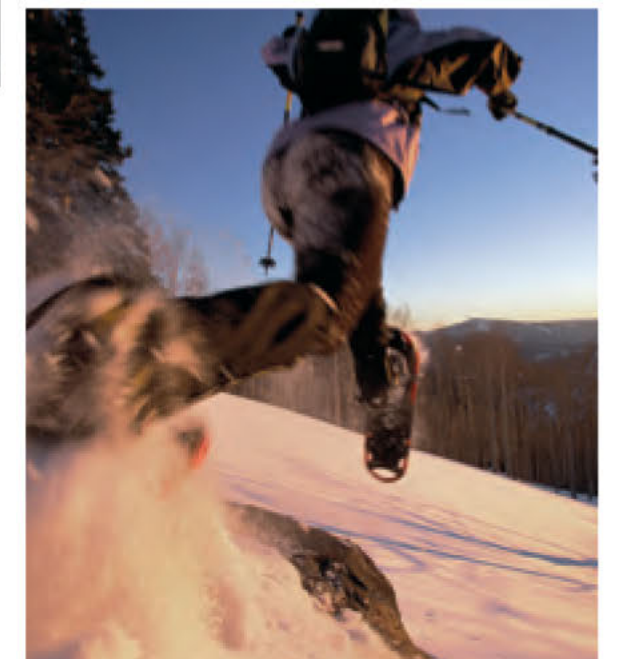

SIMPLY INTUITIVE

PHONE. Talking on the phone while driving has never been easier – or more responsible. Uconnect® hands-free communication⁹ is the available in-vehicle, voice-activated calling system that allows you to talk on your Bluetooth®-compatible phone virtually hands-free⁹. This clever option is also smart enough to synchronize with your Bluetooth-compatible phone's address book¹⁰ – up to 1,000 entries – every time you get into your vehicle.

VOICE COMMAND!* It simplifies driving by letting you keep your eyes on the road and your hands on the wheel. Use your voice to select AM/FM radio stations or SiriusXM satellite radio⁵ channels, as well as make and receive calls, and record voice memos. You can also select navigation¹¹ destinations on the available NAV system.¹¹ This smart system technology can be trained to better recognize your voice and can understand commands in English, French and Spanish. Available.

ENTERTAINMENT. Get the sound going via CDs/DVDs*, MP3s, remote USB port*, an auxiliary input jack, hard-disc storage* and Bluetooth streaming audio!¹⁰* Listen to over 120 channels on SiriusXM satellite radio⁵* (your first year of service is included), and enjoy instant replays of your favourite tunes, as well as get alerts when your favourite song, artist, or team is on the air. *Available features.

FEATURES AND OPTIONS

SPORT

Cloth – Dark Slate Grey (shown below)

Cloth – Light Pebble

POWERTRAIN

- 2.0L I-4 DOHC 16V Dual VVT with 5-speed manual (4x2)
- 2.4L I-4 DOHC 16V Dual VVT/6-speed automatic
- 2.4L I-4 DOHC 16V Dual VVT with 5-speed manual
- 2.4L I-4 DOHC 16V Dual VVT/CVT2 (4x4)

INTERIOR AMENITIES

- 12-volt auxiliary power outlet
- Air filtering
- Auxiliary input jack for mobile devices
- Bright interior accents
- Fold-flat load floor storage
- Full-length floor console and sliding armrest
- Illuminated front cup holders
- Luxury front and rear floor mats
- Map/dome reading lamps
- Outside temperature display
- Premium cloth seats
- Rear 60/40 folding seats
- Steering wheel-mounted cruise control
- Tilt steering column
- Uconnect® 130 with four speakers

EXTERIOR FEATURES

- Acoustic-glass windshield
- Bright side roof rails
- Halogen headlamps with black accents
- Lower bodyside accent cladding
- Manual foldaway mirrors
- Premium fog lamps
- Rear window defroster, wiper and washer
- 16-inch machine-faced aluminum wheels (2.0L)
- 17-inch aluminum wheels (2.4L)
- P205/70R16 BSW all-season tires (2.0L)
- P215/60R17 BSW all-season Touring tires (2.4L)

CAPABILITY & FUNCTIONALITY

- 120-amp alternator
- 525-amp maintenance-free battery
- Compact spare tire
- Firm-feel power steering
- Touring suspension

SAFETY & SECURITY

- Six air bags⁷
- Active front head restraints⁸
- Electronic Stability Control (ESC)⁴ with Electronic Roll Mitigation and Brake Assist
- Engine block heater
- Four-wheel disc antilock brakes (4x4)
- Four-wheel front disc and rear drum antilock brakes (4x2)
- Hill Start Assist (with 5-speed manual)
- Sentry Key⁹ anti-theft engine immobilizer
- Tire pressure monitoring warning lamp

OPTIONAL EQUIPMENT

- Air Conditioning
- Freedom Drive II[®] Off-Road Group (4x4 only)
- Full-size Spare Tire
- Mopar Katzkin™ Leather Seats
- Mopar Trailer Tow Group
- SiriusXM Satellite Radio Group⁵
- Uconnect 230

POWERTRAIN

- 2.4L I-4 DOHC 16V Dual VVT/6-speed automatic
- 2.4L I-4 DOHC 16V Dual VVT/CVT2 (4x4)

ENHANCEMENTS vs. SPORT

- Sport mesh seating and Satin Silver interior accents
- 17-inch aluminum wheels
- P215/60R17 BSW all-season Touring tires
- 115-volt auxiliary power outlet
- Air conditioning
- Body-colour exterior mirrors, door handles and liftgate appliqué

SERVICE CONTRACTS: Chrysler Canada Inc. has a vested interest in your satisfaction and owner experience with your new vehicle. Chrysler Canada Service Contracts offer extended service and maintenance plans to help ensure you'll enjoy your vehicle for many years down the road – for just pennies a day. For more information on comprehensive vehicle coverage, see your local Chrysler, Jeep, Dodge, and Ram retailer or call (800) 465-2001.

WARRANTIES: 2015 Chrysler, Jeep, Dodge and Ram vehicles are backed by a 5-year or 100,000-kilometre fully transferable Powertrain Limited Warranty* with \$0 deductible plus 24-hour roadside assistance† SRT vehicles are backed by a 3-year or 60,000-kilometre fully transferable Powertrain Limited Warranty* with \$0 deductible plus 24-hour roadside assistance. Basic Warranty coverage is for 3 years or 60,000 kilometres.* Rust-through coverage on all body sheet metal is for 3 years. The Cummins Turbo Diesel engine is protected by a separate Limited Warranty, covering the engine for 5 years or 160,000 kilometres.* The EcoDiesel engine is backed by a 5-year or 100,000-kilometre fully transferable Powertrain Limited Warranty* with \$0 deductible plus 24-hour roadside assistance.† *Whichever comes first. Some conditions may apply. †The 5-Year/100,000-Kilometre Powertrain Limited Warranty does not apply to vehicles sold for certain commercial uses. See your retailer for full details.

DISCLAIMERS: 1) Based on 2014 *Ward's* Small Cross Utility segmentations and MSRP of base models. 2) Based on 2014 *Ward's* Small Cross Utility segmentation. Excludes other vehicles designed and manufactured by Chrysler Group LLC. 3) Do not attempt water fording unless depth is known to be less than 48 cm (19 inches). Traversing water can cause damage that may not be covered by the new vehicle warranty. 4) No system can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. 5) Requires SiriusXM radio subscriptions governed by SIRIUS terms and conditions available at siriusxm.ca 6) This is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of their surroundings and be prepared take corrective action to avoid collisions. 7) The advanced front air bags in this vehicle are certified to the federal regulations for advanced air bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. 8) Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint. 9) Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Voice commands of phone require a Bluetooth compatible phone. 10) Phone must support Bluetooth Phone Book Access Profile (PBAP). 11) Never program while driving. GPS mapping and available 3D navigation may not be detailed or available in all areas or reflect current road regulations. 12) Not compatible with all garage door openers.
