CHEROKEE

TRAILHAWK® SHOWN IN BILLET METALLIC

## CHEROKEE

After virtually creating the four-wheel-drive segment in 1941, Jeep® vehicles spent the following 75 years marrying capability to comfort, and helping to shape the world we live in today. Authentic Jeep Brand four-wheel drive delivers best-in-class capability,\* giving you the power to tackle all-weather challenges on- and off-road. Best-in-class towing<sup>2</sup> means you can take all your favourite toys along when your Cherokee is equipped with the 3.2L Pentastar™ Variable Valve Timing (VVT) V6 engine and the available Trailer Tow Group.

Cherokee invites you in with an award-winning interior design that can be personalized with a beautiful selection of vibrant colour palettes and enhanced with premium soft-touch surfaces.

With over 70 standard and available safety and security features adding welcome appeal, including Bi-xenon High Intensity Discharge (HID) headlamps, it's clear why Jeep Cherokee is the leader of Canada's best-selling SUV brand,<sup>3</sup> fuelling the dreams of adventurers around the globe.

\*All disclaimers and disclosures can be found on page 21.

# LEADER OF CANADA'S BEST-SELLING SUV BRAND<sup>3</sup>

OVERLAND® SHOWN IN DEEP CHERRY RED CRYSTAL PEARL

## POWERFUL 4x4 SYSTEMS DELIVER CLASS-LEADING CAPABILITY<sup>1</sup>

**JEEP ACTIVE DRIVE I.** Seamless operation in and out of 4WD at any speed is achieved with a fully automatic, single-speed power transfer unit (PTU). Equipped with a rear-axle disconnect, you can go from four-wheel drive to two-wheel drive, and back again, without driver input. This results in reduced energy loss when 4WD capability is not required, which can improve fuel efficiency. It all comes together to deliver a consistent boost in all-weather capability, resulting in the kind of on- and off-road confidence the Jeep Brand is known for.

**JEEP ACTIVE DRIVE II.** Torque management and 4-Low mode are delivered via a two-speed PTU. This locks the front and rear driveshafts for additional power at low speeds or for towing your toys. Hitch Cherokee to your RV and take it along for the ride, thanks to a driveline neutral switch. Enhance off-road capability with a 2.5-cm (1-in.) increase in ride height and an incredible crawl ratio of 56:1 when paired with the 2.4L Tigershark® MultiAir® I-4 engine, and a ratio of 48:1 when paired with the available 3.2L Pentastar™ Variable Valve Timing (VVT) V6 engine. For those adventurers needing to tow, climb steep hills or travel off road, choose Jeep Active Drive II.

**TRAIL RATED® JEEP ACTIVE DRIVE LOCK.** This king of the hill includes everything in Jeep Active Drive II, plus a locking rear differential that provides even more capability and strength for severe off-road conditions. You'll also have help maintaining steady slow speeds on uphill, level and downhill surfaces with Selec-Speed™ Control. Standard on all Jeep Cherokee Trailhawk® models.

**SELEC-TERRAIN® TRACTION MANAGEMENT SYSTEM.** Enjoy the power to tackle Mother Nature's toughest conditions: every 4x4 Cherokee is equipped with a Jeep Selec-Terrain Traction Management System. You'll have up to five settings that deliver ultimate driving stability by coordinating 12 vehicle systems, including throttle control, transmission shifting, transfer case, traction control and Electronic Stability Control (ESC).<sup>5</sup> Choose from up to five sure-footed modes: Auto, Snow, Sport, Sand/Mud and, exclusive to Trailhawk models, Rock.

## TRAIL RATED® TRAILHAWK®

TRAILHAWK SHOWN IN HYDRO BLUE PEARL

OVERLAND® SHOWN IN DIAMOND BLACK CRYSTAL PEARL

TRAILHAWK SHOWN IN DEEP CHERRY RED CRYSTAL PEARL

**BADGE OF HONOUR.** Every Cherokee Trailhawk proudly wears a Trail Rated badge indicating it has been tested to perform masterfully in five categories: Traction, Ground Clearance, Manoeuvrability, Articulation and Water Forging.<sup>6</sup>

**MIGHTY PREDATOR.** Trailhawk rises above its competitors, thanks to its standard Jeep® Active Drive Lock 4WD system with a locking rear differential and two-speed power transfer unit (PTU). The Red Trail Rated badge also announces the inclusion of protective skid plates and signature Red tow hooks – two in the front and one in the rear.

This on- and off-road master is equipped with the Selec-Terrain® Traction Management System, with five customized traction modes: Auto, Snow, Sport, Sand/Mud and the exclusive Rock Mode on Trailhawk. A driveline neutral switch for flat towing is also included.

### BY THE NUMBERS

APPROACH ANGLE*	29.9°
BRAKEOVER ANGLE	22.9°
DEPARTURE ANGLE	32.2°
WATER FORDING DEPTH <sup>6</sup>	508 mm (20 in.) @ 8 km/h
GROUND CLEARANCE	220 mm (8.7 in.)

\*Removable front lower fascia detached.

GO WHERE LIFE MOVES YOU  
 FUEL ECONOMY AS EFFICIENT AS 7.8 L/100 KM HWY\*

NORTH SHOWN IN LIGHT BROWNSTONE PEARL

## EXPAND THE ADVENTURE WITH BEST-IN-CLASS TOWING<sup>2</sup>

Bragging rights are yours when your Cherokee is equipped with the available 3.2L Pentastar™ Variable Valve Timing (VVT) V6 engine and Trailer Tow Group. Bring more fun along for the ride, including toys weighing up to 2,041 kg (4,500 lb).

### TOWING CAPABILITY

ENGINE	KG (LB)
2.4L Tigershark® MultiAir® I-4	907 (2,000)
3.2L Pentastar VVT V6	907 (2,000)
3.2L Pentastar VVT V6 with Trailer Tow Group	2,041 (4,500)

## SEGMENT-FIRST 9-SPEED AUTOMATIC TRANSMISSION<sup>7</sup>

It's all about driving comfort, refinement and efficiency. Shift modes are determined by intelligent software that monitors engine torque as well as kickdown, acceleration and road grade changes.

NORTH SHOWN IN GRANITE CRYSTAL METALLIC

## POWERFUL CHOICES

**2.4L TIGERSHARK MULTIAIR I-4 ENGINE.** This standard powertrain delivers impressive fuel economy as efficient as 7.8 L/100 km highway.\* Acclaimed for its unique and proficient valve-lift system, the 2.4L Tigershark incorporates a column of oil that helps deliver precise control of intake valve events.

From its fully isolated, aluminum head cover with an integrated oil separation system to its high-pressure, die-cast aluminum block, the Tigershark engine delivers a quiet and refined ride. Should your dreams of adventure take you off road, the Tigershark takes its 184 hp and 171 lb-ft of torque and crushes it down to a boulder-pounding crawl ratio of 56:1 when paired with the available Jeep® Active Drive II or Jeep Active Drive Lock 4WD system on the Trail Rated® Cherokee Trailhawk®.

**3.2L PENTASTAR VVT V6 WITH ENGINE STOP/START (ESS) TECHNOLOGY.** You'll experience a hushed ride with the 3.2L Pentastar VVT V6 engine and its integrated exhaust manifold, plus high-compression-ratio pistons. Efficiency and power combine to form this remarkable workhorse. Demanding drivers will appreciate its 271 hp, 239 lb-ft of torque and fuel efficiency as impressive as 8.3 L/100 km highway.\* ESS technology automatically shuts off the engine as the vehicle comes to a stop, then seamlessly restarts it when the brake pedal is released, which can further improve fuel consumption and lessen emissions.

\*For fuel economy details, see page 21.

**HAVE IT ALL  
AND ENJOY THE RIDE**

OVERLAND® SHOWN IN DEEP CHERRY RED CRYSTAL PEARL

## CHEROKEE OVERLAND®

EXCEPTIONAL LUXURY AND AUTHENTIC CAPABILITY blend in perfect harmony in Cherokee Overland, a nameplate that carries a rich heritage of abundant luxury and power. Overland arrives fully stocked with a long list of standard amenities.

Its luxurious cabin features premium Nappa leather trim covering nearly all touchable surfaces. The Uconnect® 8.4 NAV multimedia centre with 8.4-inch touchscreen includes GPS navigation® and Voice Command® that allows safe, hands-free operation. The Alpine® Surround Sound System features nine speakers, plus a subwoofer, all optimally placed throughout the cabin.

Cornering fog lamps send additional light around turns for safe illumination. Active safety and security features are standard, including Blind-Spot Monitoring (BSM)<sup>10</sup> with Rear Cross-Path Detection and Park-Sense® Rear Park Assist System, plus you can opt for the available Adaptive Cruise Control with Stop and Go (ACC STOP), Forward Collision Warning with Active Braking (FCW), and Lane Departure Warning with Lane Keep Assist (LDW). These welcome guardians constantly monitor your drive, alerting you to potential hazards, as needed. There's not much left to want, except perhaps more time behind the wheel.

OVERLAND INTERIOR SHOWN IN PEARL WITH SEPIA ACCENT STITCHING

## AWARD-WINNING INTERIOR

Cherokee offers more than a new way of looking at the world. It can take you to a new world designed to fit your lifestyle. The award-winning interior\* offers plenty of room, with options to configure as you see fit. Choose from a stunning array of colour palettes, offered in sumptuous Nappa leather or premium cloth. Soft-touch surfaces are always within reach, adding even more to Cherokee's appeal. Opt for the CommandView Dual-Pane Panoramic Sunroof, and passengers in both rows will get more from every adventure, everywhere you go.

**SET UP FOR UTILITY.** The exclusive Jeep® Cargo Management System gives convenience a new meaning by adding handy hooks and a removable grocery bag. Many innovative and thoughtful add-on storage solutions, including a first aid kit, cargo bins, a foldable cooler and more are available through Mopar®.

**CLASS-EXCLUSIVE<sup>1</sup> WIRELESS CHARGING PAD.** This available feature is cleverly concealed within the centre console. Nearby, an integrated phone docking station, USB, SD, auxiliary audio input and power port outlets give Cherokee the tech-savvy leading edge.

**CONFIGURE TO SUIT YOUR TRAVELS.** Options abound when you need to carry a combination of people and cargo. The 60/40 split-folding reclining rear seats can also travel up to 152 mm (6 in) fore or aft for adjustable legroom flexibility. When the entire rear bench is folded, you have a nearly flat surface and 1,555 litres (54.9 cu ft) of room. Cherokee can easily be configured to your liking, allowing you to haul luggage, boxes, golf clubs, ski equipment and so much more.

\*One of Wards 10 Best Interiors for 2014.

**FUN AND FUNCTIONAL.** Cell phones, tablets, gaming devices, toys and books. Keep them all on board and organized, thanks to Cherokee's multiple storage spaces – there are up to 18 cubbies, pockets and bins throughout, giving you plenty of places to store all of your fun and functional items. Flip up the floor of the rear cargo area and you'll find three levels (depending on vehicle configuration) of rear cargo under-floor storage systems, each with an integrated storage tray to stash your treasures. Look up above the rearview mirror and there's a handy spot to keep your sunglasses. Opt for the fold-flat front-passenger seat with in-seat storage for another secret spot that's revealed when you simply flip up the seat cushion.

## YOU'RE ENRICHED BY GREAT CONNECTIONS

Next-level technology brings convenience, communication and entertainment services straight into your vehicle. Full-colour 5-inch or largest-in-class 8.4-inch touchscreen<sup>4</sup> multimedia centres are available.

**PHONE<sup>2</sup>/TEXT!<sup>11</sup>** Prioritize different phones so multiple drivers can connect and call. Uconnect<sup>®</sup> accesses your compatible phone's contacts;<sup>2</sup> allowing you to call by name and view your contact's name on the touchscreen display.

**WIRELESS CHARGING PAD.** The available class-exclusive<sup>7</sup> wireless charging pad, concealed in the centre console, keeps important devices in play.

**DO NOT DISTURB.** Removes distractions from calls and texts. Route all incoming calls to voice mail and suppress text messages, see a visual prompt of incoming calls and text messages, or send an automated reply. Available with Uconnect 8.4.

**NAVIGATION.<sup>9</sup>** Uconnect employs GPS navigation for audible turn-by-turn directions, and detailed 3D maps help to ensure you arrive on time. The NAV is integrated into your in-cluster display centre and on the multimedia centre touchscreen display so you can see directions front and centre. Available.

**DROP AND DRAG MENU BAR.** The available 8.4-inch touchscreen lets you identify your top six favourite features and services so they're always in sight.

**INTEGRATED VOICE COMMAND<sup>9</sup> WITH BLUETOOTH.<sup>®</sup>** Access a favourite playlist on your music player or USB drive with simple voice commands. Ask for directions to a certain address. Or make a call. No problem.

**SIRI<sup>®</sup> EYES FREE!<sup>13</sup>** Enjoy 12 hands-free features, dictate and send emails, set reminders and more. Compatible with Apple iPhone<sup>®</sup> 4s or later. Available with Uconnect 8.4.

**ENTERTAINMENT.** With SiriusXM satellite radio<sup>14</sup> (one-year trial subscription included), you get all available commercial-free music, sports, talk radio and news channels. With Tune Start, you have the ability to pause, replay, rewind and fast-forward live audio channels, and access entertainment via Bluetooth streaming audio. SiriusXM also features Favourite Artist/Song and Game alerts, which give you the ability to save the current artist/song/sports team into memory and allow the radio to alert you when that artist/song/sports team is playing on other channels. Available.

## OVER 70 STANDARD AND AVAILABLE SAFETY AND SECURITY FEATURES

**PARKVIEW® REAR BACK-UP CAMERA<sup>10</sup>** Now you can park and back out with confidence. The system displays a rearview video image with dynamic distance grid lines when the vehicle is in Reverse. During parking and other similar manoeuvres, this system helps bring previously hidden rear objects to your attention on-screen. Available.

**FORWARD COLLISION WARNING WITH ACTIVE BRAKING (FCW)<sup>10</sup>** Using radar and video sensors, this available system detects whether the vehicle is too rapidly approaching another vehicle or large obstacle in its path. When an object is detected, the system will provide audible and visual warnings and can assist the driver in avoiding the incident by actively applying the brakes. The driver has the ability to adjust the sensitivity and turn brake support on or off.

**ADAPTIVE CRUISE CONTROL WITH STOP AND GO (ACC STOP)<sup>10</sup>** This available system uses radar and video sensors to automatically adjust your cruising speed based on a preset speed and vehicle distance setting. In certain conditions, such as stop-and-go traffic, the system is able to bring the vehicle to a complete stop without any driver intervention, then prompt the driver to press the Resume button or tap the accelerator to re-engage to safe-range speeds.

**HIGH INTENSITY DISCHARGE (HID) HEADLAMPS.** Brighter and more energy-efficient, these long-lasting headlamps can detect road hazards, signage and pedestrians at greater distances than can conventional lamps. Available on Sport. Standard on North and above.

**ELECTRONIC STABILITY CONTROL (ESC)<sup>5</sup>** A vehicle-wide network of safety sensors helps maintain vehicle control, providing instant aid should they detect you're veering off your intended path. ESC<sup>5</sup> coordinates Electronic Roll Mitigation (ERM), Antilock Brake System (ABS), Brake Assist, All-Speed Traction Control and Trailer Sway Control (TSC), sending them into action when needed.

**TRAILER SWAY CONTROL (TSC).** Crosswinds or traffic hold no sway over you and your payload. As part of ESC, TSC monitors the vehicle's movement relative to the driver's intended path, applies alternating brake pressure to slow the vehicle, then increases the pressure on one front wheel to counteract the sway induced by the trailer.

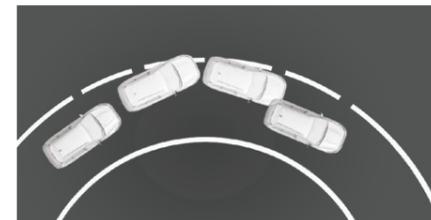

**KEYLESS ENTER 'N GO™ WITH PROXIMITY ENTRY AND PUSH-BUTTON START.** No need to fumble for your keys. Convenient technology detects your approach when you are carrying the key fob and will unlock the door when you pull the handle. Once inside, start the engine by pressing the Start/Stop button while stepping on the brake.

**RAIN-SENSING WINDSHIELD WIPERS.** Available sensors detect moisture on the windshield and automatically activate the wipers.

LIMITED SHOWN IN BRIGHT WHITE

### LANE DEPARTURE WARNING WITH LANE KEEP ASSIST (LDW)<sup>10</sup>

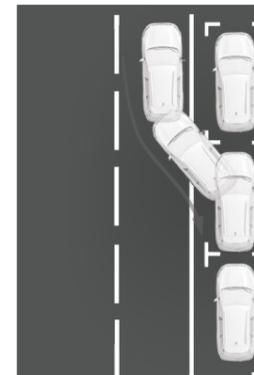

A forward-mounted camera detects and measures the vehicle's position within a lane. If the vehicle starts unintentionally drifting out of its lane without you using the indicators, this available feature will warn you visually and through a haptic warning – a “shiver” in the steering wheel. If you do not respond to the warnings, Lane Keep Assist can help gently nudge the vehicle back into the lane by leveraging the Electric Power Steering system to apply corrective steering input.

### BLIND-SPOT MONITORING<sup>10</sup> WITH REAR CROSS-PATH DETECTION<sup>10</sup>

When driving forward, the available Blind-Spot Monitoring system continually monitors the vehicle's side blind zones using dual radar sensors. When a side blind spot is encroached, you're notified via an illuminated icon on the appropriate sideview mirror and if the turn signal is activated, an audible notification sounds. You can use your radio to program this chime or audible alert. Available.

Rear Cross-Path Detection engages when you put your Cherokee in Reverse. Bumper-mounted sensors detect approaching vehicles and notify you in order to help prevent a potential collision. If a car approaches from either side, the driver hears a chime and sees an illuminated icon in the sideview mirror. Use your radio to program audible alerts. Available.

### PARALLEL AND PERPENDICULAR PARK ASSIST<sup>10</sup>

Through a network of sensing elements on the front and rear fascias, the Jeep® Cherokee can help you in your daily manoeuvres and guide you into parking spaces with the available Park-Sense® Rear Park Assist with Active Braking and Parallel and Perpendicular Park Assist. The sensors send out ultrasonic waves when driving at low speeds and provide visual and audible alerts of a detected obstacle's distance. Park-Sense Rear Park Assist with Active Braking can automatically apply the brakes to prevent a possible rear collision in low-speed parking situations. Parallel parking assistance is available on either side of the vehicle and can start searching for a suitable parking spot as soon as the driver activates the system using a dedicated button on the centre stack. Perpendicular parking assistance allows the vehicle to back itself into a suitable space. The system automatically controls steering-wheel angle, while the driver controls gear selection, brake and accelerator.

# TECH

**CUSTOMIZABLE 7-INCH IN-CLUSTER DISPLAY CENTRE.** This available feature includes fingertip controls on your steering wheel, allowing you to instantly scroll through a rich selection of vehicle data, including vehicle performance info and alerts.

**KEYLESS ENTER 'N GO!™** This feature allows you to keep your key fob in your pocket or purse, leaving your hands free to quickly open the door, take a seat, push a button and head out for fun. Available.

**PREMIUM AUDIO SYSTEM.** Audiophiles can opt for Cherokee's premium 9-speaker sound system with an 8-inch subwoofer, designed in tandem with Alpine®, the leading manufacturer of high-performance mobile electronics. The system's 11 channels pump sound by way of 506 watts of power for a dynamic soundfest to inspire your music-filled travels. Available.

**DUAL-ZONE AUTOMATIC TEMPERATURE CONTROL (ATC).** Constantly adjusts air temperature inside the cabin to create separate customized environments for the driver and the front passenger. Available.

**SMART REMOTE START.** Just press the button on your key fob a few minutes prior to takeoff, from as much as 60 metres away or, over 200 feet. This product also: activates climate control and (if equipped) optional heated/ventilated seats and optional heated steering wheel. You're ready to roll with a nicely heated or cooled cabin. Available.

**ABOUT THIS CATALOGUE.** Since the time of printing, some of the information you'll find in this catalogue may have been updated. Ask your retailer for details. Some of the equipment shown or described throughout this catalogue is available at extra cost. Specifications, descriptions, illustrative materials and all competitive comparisons contained herein are as accurate as known at the time this publication was approved for printing. FCA Canada Inc. reserves the right to make changes at any time without notice and without incurring obligation. For the price of the model with the equipment you desire or verification of specifications contained herein, see your Chrysler, Jeep, Dodge and Ram retailer. Chrysler, Jeep, Dodge, Ram, SRT, the Jeep grille, Cherokee, CommandView, Mopar, Mopar Vehicle Protection, Park-Sense, ParkView, Selec-Terrain, Trailhawk, Trail Rated, Overland and Uconnect are registered trademarks, and Keyless Enter 'n Go, Pentastar, SafetyTec, Selec-Speed and Tigershark are trademarks of FCA US LLC. Bluetooth is a registered trademark of Bluetooth SIG, Inc. Cummins is a registered trademark of Cummins, Inc. Facebook is a registered trademark of Facebook, Inc. Firestone is a registered trademark of Firestone Tire & Rubber Company. MultiAir is a registered trademark of C.R.F. Società Consortile per Azioni, used under licence by FCA US LLC. SIRIUS, XM and related marks and logos are trademarks of SiriusXM Radio Inc. Alpine and the Alpine logo are registered trademarks of Alpine Electronics, Inc. Apple, Siri, iPhone and iPod are registered trademarks of Apple Inc. All rights reserved. The Twitter name, logo, Twitter T, Tweet and Twitter bird are trademarks of Twitter, Inc. in the United States and other countries. ©2016 FCA Canada Inc. All rights reserved.

**MOPAR VEHICLE PROTECTION.\*** FCA Canada Inc. has a vested interest in your satisfaction and owner experience with your new vehicle. Mopar Vehicle Protection offers extended service and maintenance plans to help ensure you'll enjoy your vehicle for many years down the road — for just pennies a day. For more information on comprehensive vehicle coverage, see your local Chrysler, Jeep, Dodge and Ram retailer or call (800) 465-2001.

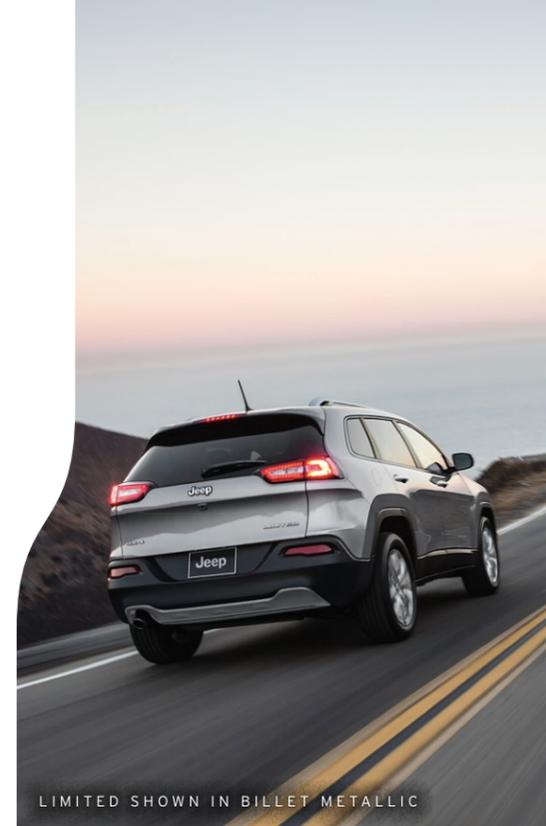

**WARRANTIES.** 2017 Chrysler, Jeep, Dodge and Ram vehicles are backed by a 5-year or 100,000-kilometre fully transferable Powertrain Limited Warranty\* with \$0 deductible plus 24-hour roadside assistance! SRT vehicles are backed by a 3-year or 60,000-kilometre fully transferable Powertrain Limited Warranty\* with \$0 deductible plus 24-hour roadside assistance. Basic Warranty coverage is for 3 years or 60,000 kilometres. Rust-through coverage on all body sheet metal is for 3 years. The Cummins Turbo Diesel engine is protected by a separate Limited Warranty, covering the engine for 5 years or 160,000 kilometres. The EcoDiesel engine is backed by a 5-year or 100,000-kilometre fully transferable Powertrain Limited Warranty\* with \$0 deductible plus 24-hour roadside assistance!

\*Whichever comes first. Some conditions may apply. \*The 5-Year/100,000-Kilometre Powertrain Limited Warranty does not apply to vehicles sold for certain commercial uses. See your retailer for full details.

**DISCLAIMERS.** 1) Based on *WardsAuto* Middle Cross Utility segmentation. Best-in-class capability based on Jeep Cherokee offering 2-speed power transfer unit (PTU) with rear locking axle, exclusive Jeep Selec-Terrain with 5 settings (including Rock), and industry first: fully disconnecting drive-line, best-in-class towing (excluding 7 – 8 passenger vehicles), approach angle, departure angle, ramp breakover angle. 2) Based on *WardsAuto* Middle Cross Utility segmentation. Excludes 7- and 8-passenger vehicles. When equipped with 3.2L Pentastar VVT V6 engine with Trailer Tow Group. 3) Based on total sales in 2015CY in all SUV segments combined as defined by FCA Canada Inc. 4) Based on *WardsAuto* Middle Cross Utility segmentation. Excludes other vehicles designed and manufactured by FCA US LLC. 5) No system can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. 6) Do not attempt water fording unless depth is known to be less than 51 cm (20 in). Traversing water can cause damage that may not be covered by the new vehicle warranty. Always off-road responsibly in approved areas. 7) Based on *WardsAuto* Middle Cross Utility segmentation. 8) Never program while driving. GPS mapping and available 3D navigation may not be detailed or available in all areas or reflect current road regulations. Additional fees will apply for Retailer-Activated Navigation. 9) Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Voice commands of a phone require a Bluetooth-compatible phone. 10) This is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of his/her surroundings and be prepared to take corrective action to avoid collisions. 11) Preset voice-to-text messaging and incoming text message reading requires a MAP-enabled phone. 12) Phone must support Bluetooth Phone Book Access Profile (PBAP). 13) Siri Eyes Free requires an iPhone equipped with Siri. Certain features not available while the vehicle is in motion. iPhone must be within active cellular range. Customer's existing iPhone data rates apply to Internet-supported features. 14) Requires SiriusXM radio subscriptions governed by SIRIUS terms and conditions available at [siriusxm.ca](http://siriusxm.ca). 15) The Advanced Front Air Bags in this vehicle are certified to the federal regulations for Advanced Air Bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. 16) Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint. 17) Not compatible with all garage door openers.
