

# ALL-NEW COMPASS

---

**Jeep**

# A NEW INSPIRATION FOR ADVENTURE

## COMPASS

Right-sized luxury makes a stunning impression in the all-new Jeep® Compass, laden with premium materials and brimming with efficient capability. Compass is designed to turn heads and easily round corners, delivering a ride that's enhanced by a long list of standard and available comforts usually reserved for premium SUVs. Here, on-road luxury blends well with legendary off-road Jeep Brand freedom and ultimate capability, all coming together in a stunningly crafted compact size. The result: with its available Black roof, 19-inch wheels, chrome wrap and sleek appearance, Compass is unlike anything else on the road. You'll go in all the best directions, while enjoying luxury, intuitive technology and the availability of legendary 4x4 power.

4 LIMITED LEATHER-FACED SEATS IN SKI GREY WITH BLACK PERFORATED LEATHER INSERTS AND RUBY RED ACCENT STITCHING

## ARRIVE INSPIRED

**DATA SMART** Highlights include an available Class-Exclusive<sup>(2)</sup> 7-inch full-colour customizable in-cluster display that integrates, if equipped, detailed navigation, media information such as song, artist and station, fuel economy data, digital speedometer, the available Selec-Terrain® Traction Control System and more.

**NAV RADIO** Also available is the Uconnect® 8.4 NAV system with the Largest Touchscreen in its Class,<sup>(2)</sup> as well as voice control,<sup>(3)</sup> so your hands stay on the wheel. Its 8.4-inch display with pinch-to-zoom lets you get in close to see the big picture, so you can get where you're going right on time.

**STUNNING FINISHES** Available premium LED ambient lighting adds an inviting aura inside the cabin. Clean, sculpted forms and available elegant Piano Black and anodized Silver bezels with chrome knobs reveal upscale distinction.

**COMFORT-LADEN** Compass Limited sets the stage for luxury with seats that cradle with generous padding, adding available 12-way power including four-way lumbar adjustments for the driver, plus heating for first-row seats. The steering wheel is heated, as well.

**DRIVING CONVENIENCE** Compass offers an array of standard and available high-end features that save time and keep your attention focused. Available Remote Start readies the vehicle and Keyless Enter 'n Go™ lets the driver get in, press a button and drive. Steering-wheel buttons control a list of driving and entertainment functions, while an available auto-dimming rearview mirror cuts down on nighttime glare.

**COMFORT AND ACCESS** A configurable, stunning interior offers seating for up to five adults. It can be arranged to carry plenty of cargo when the 60/40 rear folding seats are flat and the front-passenger seat is folded. A rear-seat centre armrest folds down to reveal two handy cup holders.

LIMITED LEATHER-FACED SEATS IN SKI GREY WITH BLACK PERFORATED LEATHER INSERTS AND RUBY RED ACCENT STITCHING

UCONNECT 8.4 NAV SYSTEM

## A WIDE POINT OF VIEW

There's so much to see when you live the Jeep® life. The available Dual-Pane Panoramic Power Sunroof with its power sunshade is more than an amazing way of looking at the world, it can take you to a new world altogether. Passengers in all rows get a stellar view from every adventure, anywhere you go.

Uconnect® brings a wide range of communication and entertainment services straight into your vehicle, bundled together within a robust system that offers a range of features, from Apple CarPlay™ to Android Auto™ to the ability to drop and drag apps onto your menu.

## LARGEST-IN-CLASS<sup>(2)</sup> 8.4-INCH TOUCHSCREEN

### INTUITIVE TECHNOLOGY

#### A NEW UCONNECT® GENERATION

Uconnect technology takes a leap forward with faster start-up and high-definition resolution, adding speed and vibrancy to your experience. The new touchscreen responsiveness is immediate and concise. Pinch gesturing to swipe and tap, just like you do on your smartphone, is available, so you can enlarge, drag, shrink and move images to meet your needs.

A smarter, safer way to use an iPhone® while plugged in, inside your vehicle, and seamlessly integrate it with the Uconnect touchscreen and Siri® voice control.<sup>(3)</sup> You can make calls, access music, send and receive messages, get directions optimized for traffic conditions and more while staying focused on driving.<sup>(3)</sup>

Automatically provides a safer way to use your plugged-in Android phone while driving, easily access Google Maps with voice-guided navigation<sup>(6)</sup> and Google Play Music; make phone calls or send and receive messages by voice controls.<sup>(3)</sup>

SiriusXM satellite radio<sup>(5)</sup> and its SiriusXM Select package deliver 120 channels to your satellite radio, including commercial-free music, plus sports, news, talk and entertainment. You can also listen wherever you go on your portable devices with the SiriusXM App, which is included with your one-year trial. Available.

SiriusXM Travel Link<sup>(5)</sup> adds convenience by providing useful information when you need it, right at your fingertips. Get detailed weather maps, five-day forecasts and severe weather alerts, as well as sports scores and in-game weekly schedules on your favourite teams, information on fuel prices in your area and more. Your first five years of SiriusXM Travel Link<sup>(5)</sup> are included. Late availability.

SiriusXM Traffic Plus<sup>(5)</sup> can help you avoid congestion before you reach it. Get continuous updates on traffic speed, accidents, construction, road closures and more, before you begin your travels. You will get to your destination faster and more easily than ever before. Your first five years of SiriusXM Traffic Plus<sup>(5)</sup> service are included. Late availability.

UCONNECT 4C NAV WITH 8.4-INCH TOUCHSCREEN

APPLE CARPLAY™ SHOWN ON TOUCHSCREEN

**PHONE/TEXT** Make hands-free phone calls<sup>(3)</sup> or use your voice to send a text<sup>(4)</sup> via Uconnect® Plug in your phone and the available Apple CarPlay™ or Android Auto cast your phone's familiar interface onto your Uconnect touchscreen for a seamless and convenient mobile experience. Pair up to eight Bluetooth®-enabled phones.

**INTEGRATED VOICE COMMAND**<sup>(3)</sup> Keep your eyes on the road and hands on the wheel. Use your voice to select music stations, make calls, select navigation destinations, or set cabin temps.

**ENTERTAINMENT** Listen to your favourite playlist from your connected device, then flip to available SiriusXM satellite radio<sup>(5)</sup> and enjoy the best commercial-free music, and more. You'll get over 120 channels, all at the press of a button. Available.

**NAVIGATION**<sup>(6)</sup> Dinner reservations at the new place in town? Uconnect employs available GPS navigation<sup>(6)</sup> for audible turn-by-turn directions, and detailed 3-D maps to help assure you arrive on time. The NAV is integrated into your available Class-Exclusive<sup>(2)</sup> 7-inch full-colour customizable in-cluster display so you can see directions front and centre. Use Voice Command<sup>(3)</sup> and say the complete address, city and province, and get directions quickly.

**TOUCHSCREEN CONTROLS** Set temperature controls, activate available heated seats and steering wheel, and so much more – all from the touchscreen.

**DROP AND DROP MENU** Highlight your top six favourite features and services so they're always in sight on your available Largest-In-Class<sup>(2)</sup> 8.4-inch Uconnect touchscreen display.

**DO NOT DISTURB** This available feature allows you to see a visual prompt of incoming calls or texts and send an automated reply.

# ROAM WHEREVER LIFE TAKES YOU

See and be seen with available Bi-xenon High-Intensity Discharge headlamps and their available signature lit LED accent and distinctive daylight running lamps. They will cut through the darkness and haze, as well as add a noticeable level of sophistication.

Auto High-Beam Headlamp Control is also available, and adjusts intensity based on ambient and oncoming-traffic light. Activate the available cornering fog lamps by turning the steering wheel or engaging the turn signal, sending more light toward the direction you're heading.

TRAILHAWK® IN WHITE

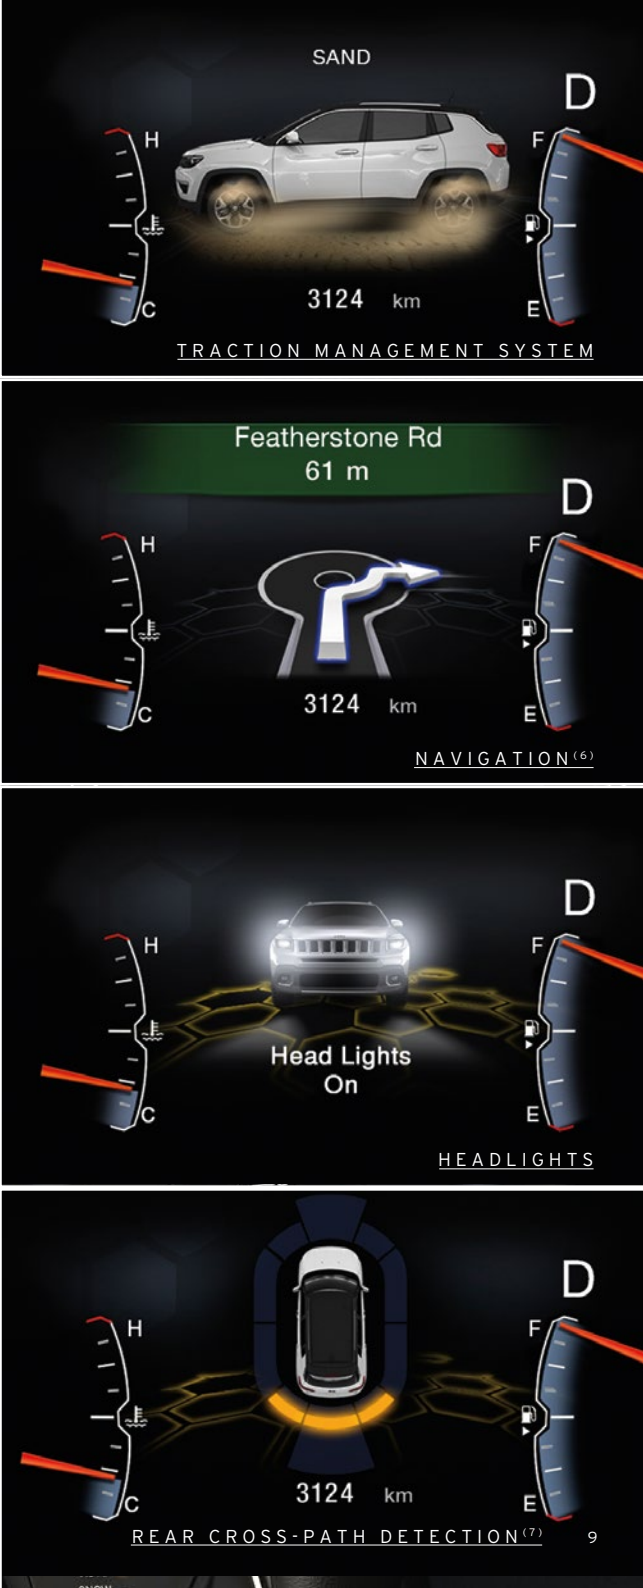

## DATA FRONT AND CENTRE

### DRIVER INFORMATION DISPLAY

Fingertip controls on your steering wheel can instantly scroll you through a selection of vehicle data displayed within your instrument panel on an available Class-Exclusive<sup>(2)</sup> 7-inch full-colour customizable in-cluster display.

Information includes navigation,<sup>(6)</sup> capability data, performance statistics, vehicle dynamics, alerts and more. Standard on Trailhawk® and Limited and available on North models. A 3.5-inch monochrome, high-resolution cluster display is standard on Sport and North models.

## ENJOY WORRY-FREE TRAVELS WITH INNOVATIVE SAFETY TECHNOLOGY

**7 STANDARD AIR BAGS<sup>(8)</sup>** Full-length side-curtain front- and rear-passenger, driver inflatable knee bolster air bags, seat-mounted side for front occupants, and advanced multistage front air bags all are standard and work together to help surround you with confidence.

**PASSIVE ENTRY** A feature of the available Keyless Enter 'n Go,<sup>TM</sup> this automatically unlocks the door upon grabbing the handle, provided the key fob is within 1.5 metres of your vehicle. Press a small button on either front door to lock all doors and liftgate.

**LANE DEPARTURE WARNING WITH LANE KEEP ASSIST<sup>(7)</sup>** This available feature provides a visual and steering wheel-movement warning should the system detect that the vehicle is drifting outside of lane boundaries or the driver's hands are off the wheel.

**ELECTRONIC STABILITY CONTROL (ESC)<sup>(9)</sup>** A vehicle-wide network of standard safety sensors provide instant aid should they detect you're veering off your intended path. ESC coordinates Electronic Roll Mitigation, Hill Start Assist, antilock brake system and Advanced Brake Assist, all-speed traction control and Trailer Sway Control, sending them into action when needed.

**RAIN-SENSING AND INTERMITTENT WINDSHIELD WIPERS** Storm clouds hold little influence over your daily drive. Front wipers activate when raindrops are detected with this available system, and can be set to slower, intermittent speeds as conditions change.

**TRAILER SWAY CONTROL (TSC)** Works with ESC<sup>(9)</sup> to help you keep your tow load safely on course.

**FORWARD COLLISION WARNING WITH ACTIVE BRAKING<sup>(7)</sup>** This available system has sensors that can detect when your vehicle may be approaching another vehicle too rapidly and send an audible and visual alert to the driver, along with providing a brake jerk warning from advanced brake assistance if the driver does not react in time.

**TIRE PRESSURE MONITORING SYSTEM** Sensors immediately provide notification via the in-cluster display if pressure drops below the minimum acceptable level on any tire.

**PARK-SENSE<sup>®</sup> REAR PARK ASSIST SYSTEM<sup>(7)</sup>** Compass can help you park and back out with ease. This available system uses rear ultrasonic sensors to determine relative distance to objects in your back-up pathway. Read-outs in the in-cluster display and an audible warning notify the driver of rear object proximity.

**BLIND-SPOT MONITORING AND REAR CROSS-PATH DETECTION<sup>(7)</sup>** These available systems monitor the space between you and other drivers. When a side or rear blind spot is encroached, you're notified via illuminated icons on sideview mirrors or an audible chime.

**BATTERY RUN-DOWN PROTECTION** Helps prevent your battery from becoming discharged, so you're always ready to go. Standard

**PARKVIEW<sup>®</sup> REAR BACK-UP CAMERA<sup>(7)</sup> WITH DYNAMIC GRID LINES** Back out safely with grace. This system helps bring previously hidden rear objects to your attention, on-screen in good time to react.

## 360 DEGREES OF PROTECTION

Compass knows the way to help you and your passengers arrive safely and securely. Its ability to remain alert is due to an array of available, sophisticated sensors and cameras. These advanced systems constantly earn your trust as they continually monitor your perimeter and the real-time status of many vehicle operations.

GIVE IN TO THE LURE OF LUXURY

LIMITED IN JAZZ BLUE PEARL

LIMITED LEATHER-FACED SEATS IN SKI GREY WITH BLACK PERFORATED LEATHER INSERTS AND RUBY RED ACCENT STITCHING

LIMITED IN BILLET METALLIC

LIMITED IN WHITE

## LIMITED

The fluid, sleek lines of Compass Limited are enhanced by chrome trim, Black-painted roof and standard 18-inch aluminum wheels. This urban citizen faces challenging road conditions with confidence via the standard Class-Exclusive<sup>(2)</sup> 9-speed automatic transmission and full-time Jeep® Active Drive 4x4 System with its Selec-Terrain® Traction Management System, powered by the 180-hp 2.4L Tigershark® engine.

Inside, experience the luxurious cabin that elevates every trip with premium LED ambient lighting and leather-faced seats and surfaces that feature attractive accent stitching. A rear-seat centre armrest folds down to provide two convenient cup holders. Comfort and luxury come together with Limited's standard heated front seats and steering wheel. The available BeatsAudio™ sound system with nine speakers plus subwoofer is perfectly positioned. Advanced technology features include a Uconnect® 8.4 system with Largest-In-Class<sup>(2)</sup> 8.4-inch display and a Class-Exclusive<sup>(2)</sup> 7-inch full-colour customizable in-cluster display.

BEST-IN-CLASS<sup>(10)</sup>  
4x4 CAPABILITY

TRAILHAWK® IN SPITFIRE ORANGE

## TRAILHAWK®

Where would you go if you could go anywhere? Behind the wheel of a Trailhawk®, Canada's most capable compact SUV ever;<sup>(11)</sup> there are no limitations because legendary Jeep® Brand capability is at its very core. The standard 4x4 system, Jeep Active Drive Low, has a 20:1 crawl ratio and the ability to seamlessly transfer power to any wheel with traction.

Trailhawk is equipped with skid plate protection, increased ground clearance, and signature front and rear Ruby Red tow hooks.

Designed to stand apart, Trailhawk features a unique front and rear fascia, Neutral Grey accents, a Black roof and a Black anti-glare hood decal. Red Trailhawk and Trail Rated® badges signify membership in the over-arching Jeep Brand family of exquisitely capable and utterly unique 4x4 vehicles, a breed unlike any other on the planet.

TRAILHAWK LEATHER-FACED INTERIOR IN BLACK

NORTH IN DIAMOND BLACK CRYSTAL PEARL

## NORTH

No matter your destination, Compass North ushers you in comfort and style. Deep-tint privacy glass, cornering fog lamps, body-colour door handles, power adjustable heated mirrors and Black roof rails add sophistication. You'll welcome a nice selection of standard and available features, including unique premium cloth seats and a leather-wrapped steering wheel with audio and cruise controls.

Ambient LED interior lighting and a SiriusXM satellite radio one-year subscription<sup>(5)</sup> are welcome standard features. With all its premium options, North is set to take you in a very beautiful direction.

## SPORT

Authentic Jeep® Brand design is distinctively interpreted in Compass Sport. The inclusion of standard in-demand features adds incredible value, as well as unique style. The cabin is tastefully trimmed with soft-yet-durable Sedoso cloth with contrasting accent stitching. The configurable 60/40 split-folding rear seat includes a centre armrest with cup holders.

The cargo load floor is height-adjustable to allow for smooth and easy loading and unloading, or can be lowered to add more room for taller items. You'll also drive away with push-button start and an advanced Uconnect® system with a 5-inch touchscreen and hands-free communication.<sup>(3)</sup>

# MOST CAPABLE

## COMPACT SUV IN CANADA<sup>(10)</sup>

### SELEC-TERRAIN® TRACTION MANAGEMENT SYSTEM

When you can match your capability to the road conditions ahead, worry-free travels are the norm. Every Compass equipped with an available Jeep® 4x4 system arrives with a Jeep Selec-Terrain® Traction Management System as well, giving you the power to tackle Mother Nature's toughest conditions.

A variety of settings help deliver ultimate driving stability by coordinating 12 vehicle systems, including throttle control, transmission shifting, transfer case, traction control and Electronic Stability Control.<sup>(9)</sup> Choose from up to five sure-footed modes: Auto, Snow, Sand, Mud and, exclusively on Trailhawk®, Rock.

LIMITED IN WHITE

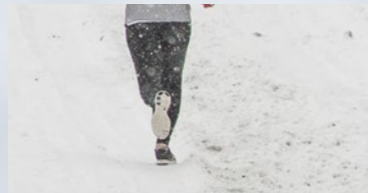

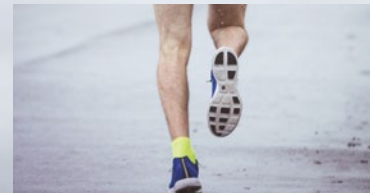

**AUTO** When turned to this mode, Selec-Terrain does all the work, automatically adjusting vehicle dynamics to best suit the road. To help ensure optimal efficiency, the rear driveline disengages when not needed.

**SNOW** Adjusts for ultimate performance over snow- and ice-covered roads by maximizing vehicle stability and minimizing oversteer. Major systems auto-engaged and managed in this mode include antilock brakes and traction control.

**SAND** The system converts to a uniquely calibrated Sand mode that utilizes aggressive throttle and upshift points to tackle looser, sand-covered surfaces.

**MUD** Maximizes low-speed traction by allowing additional wheel-slip via specifically tuned chassis controls, differentials and transmission ratios that are geared to successfully tackle mud.

**ROCK** Delivers Trail Rated® 4WD Low capability thanks to its rear-differential locking element, allowing you to crawl over rugged terrain at appropriately safe speeds. Exclusively on Trailhawk.

## NURTURE YOUR TRUE NATURE

There's nothing better to usher you to your next adventure. When you need to keep going no matter what, two available, authentic Jeep Brand 4x4 systems stand ready to serve.

With the help of a disconnecting rear axle, each system can actively transition from 4x4 into fuel-saving front-wheel drive (FWD). To enjoy this welcomed gain in efficiency, simply keep the system's standard Selec-Terrain® dial in Auto mode. Compass will then seamlessly match its Jeep engineered capability to any road condition it encounters. When you turn the dial to another mode, 4x4 capability is always engaged and able to send 100% of available torque to any one wheel.

### JEEP® ACTIVE DRIVE

A fully automatic, single-speed power transfer unit (PTU) delivers seamless operation in and out of 4WD at any speed. Yaw correction is automatic as well, helping to keep Jeep® Compass stable at all times. Jeep Active Drive also includes brake traction control that works to maintain a balanced torque distribution, helping this system deliver an easy-to-use all-weather boost in capability.

TRAILHAWK® IN RHINO

LIMITED IN BILLET METALLIC

### JEEP ACTIVE DRIVE LOW

Exclusively on Compass Trailhawk. A standard single-speed PTU offers torque management and 4WD Low mode. This locks the front and rear driveshafts to deliver additional power at low speeds or for towing your toys. Additionally, your off-roading benefits from an increase in ride height and an incredible crawl ratio of 20:1, allowing Compass to climb steep hills and crawl over rocks with ease.

TRAILHAWK IN SPITFIRE ORANGE 17

LIMITED LEATHER-FACED INTERIOR  
IN BLACK WITH SKI GREY

#### 9-SPEED AUTOMATIC TRANSMISSION WITH AUTOSTICK

Compass delivers a smooth and responsive ride when equipped with an optional Class-Exclusive<sup>(2)</sup> 9-speed automatic transmission. Its fine-tuned 9.81 ratio spread between gears ensures quick takeoffs and a consistently refined performance with exceptional efficiencies through all gears at all speeds. A unique set of four overdrive ratios help gain efficiencies while reducing overall noise and vibration. Economies are maximized and performance is optimal at all times. Standard on North 4x4, Trailhawk and Limited. Available on Sport 4x4.

#### 6-SPEED AUTOMATIC TRANSMISSION WITH AUTOSTICK

This compact, lightweight transmission offers a high-precision clutch that's smooth and responsive. It's a highly efficient performer with Engine Stop/Start (ESS) technology and next-generation electronics. Standard on North 4x2 models. Available on Sport 4x2 models.

#### 6-SPEED MANUAL TRANSMISSION

With its quick acceleration due to high maximum torque values, plus smooth, precise shifting, this transmission offers a fun-to-drive factor that's paired with welcomed economies. The design is compact, delivering a peaceful reduction in cabin noise, especially at highway speeds. Standard on Sport.

## THE INCREDIBLY FUEL-EFFICIENT JEEP® COMPASS

### 7.3 L/100 km HWY

## POWERFUL ADVANTAGES FOR TRAVELLERS

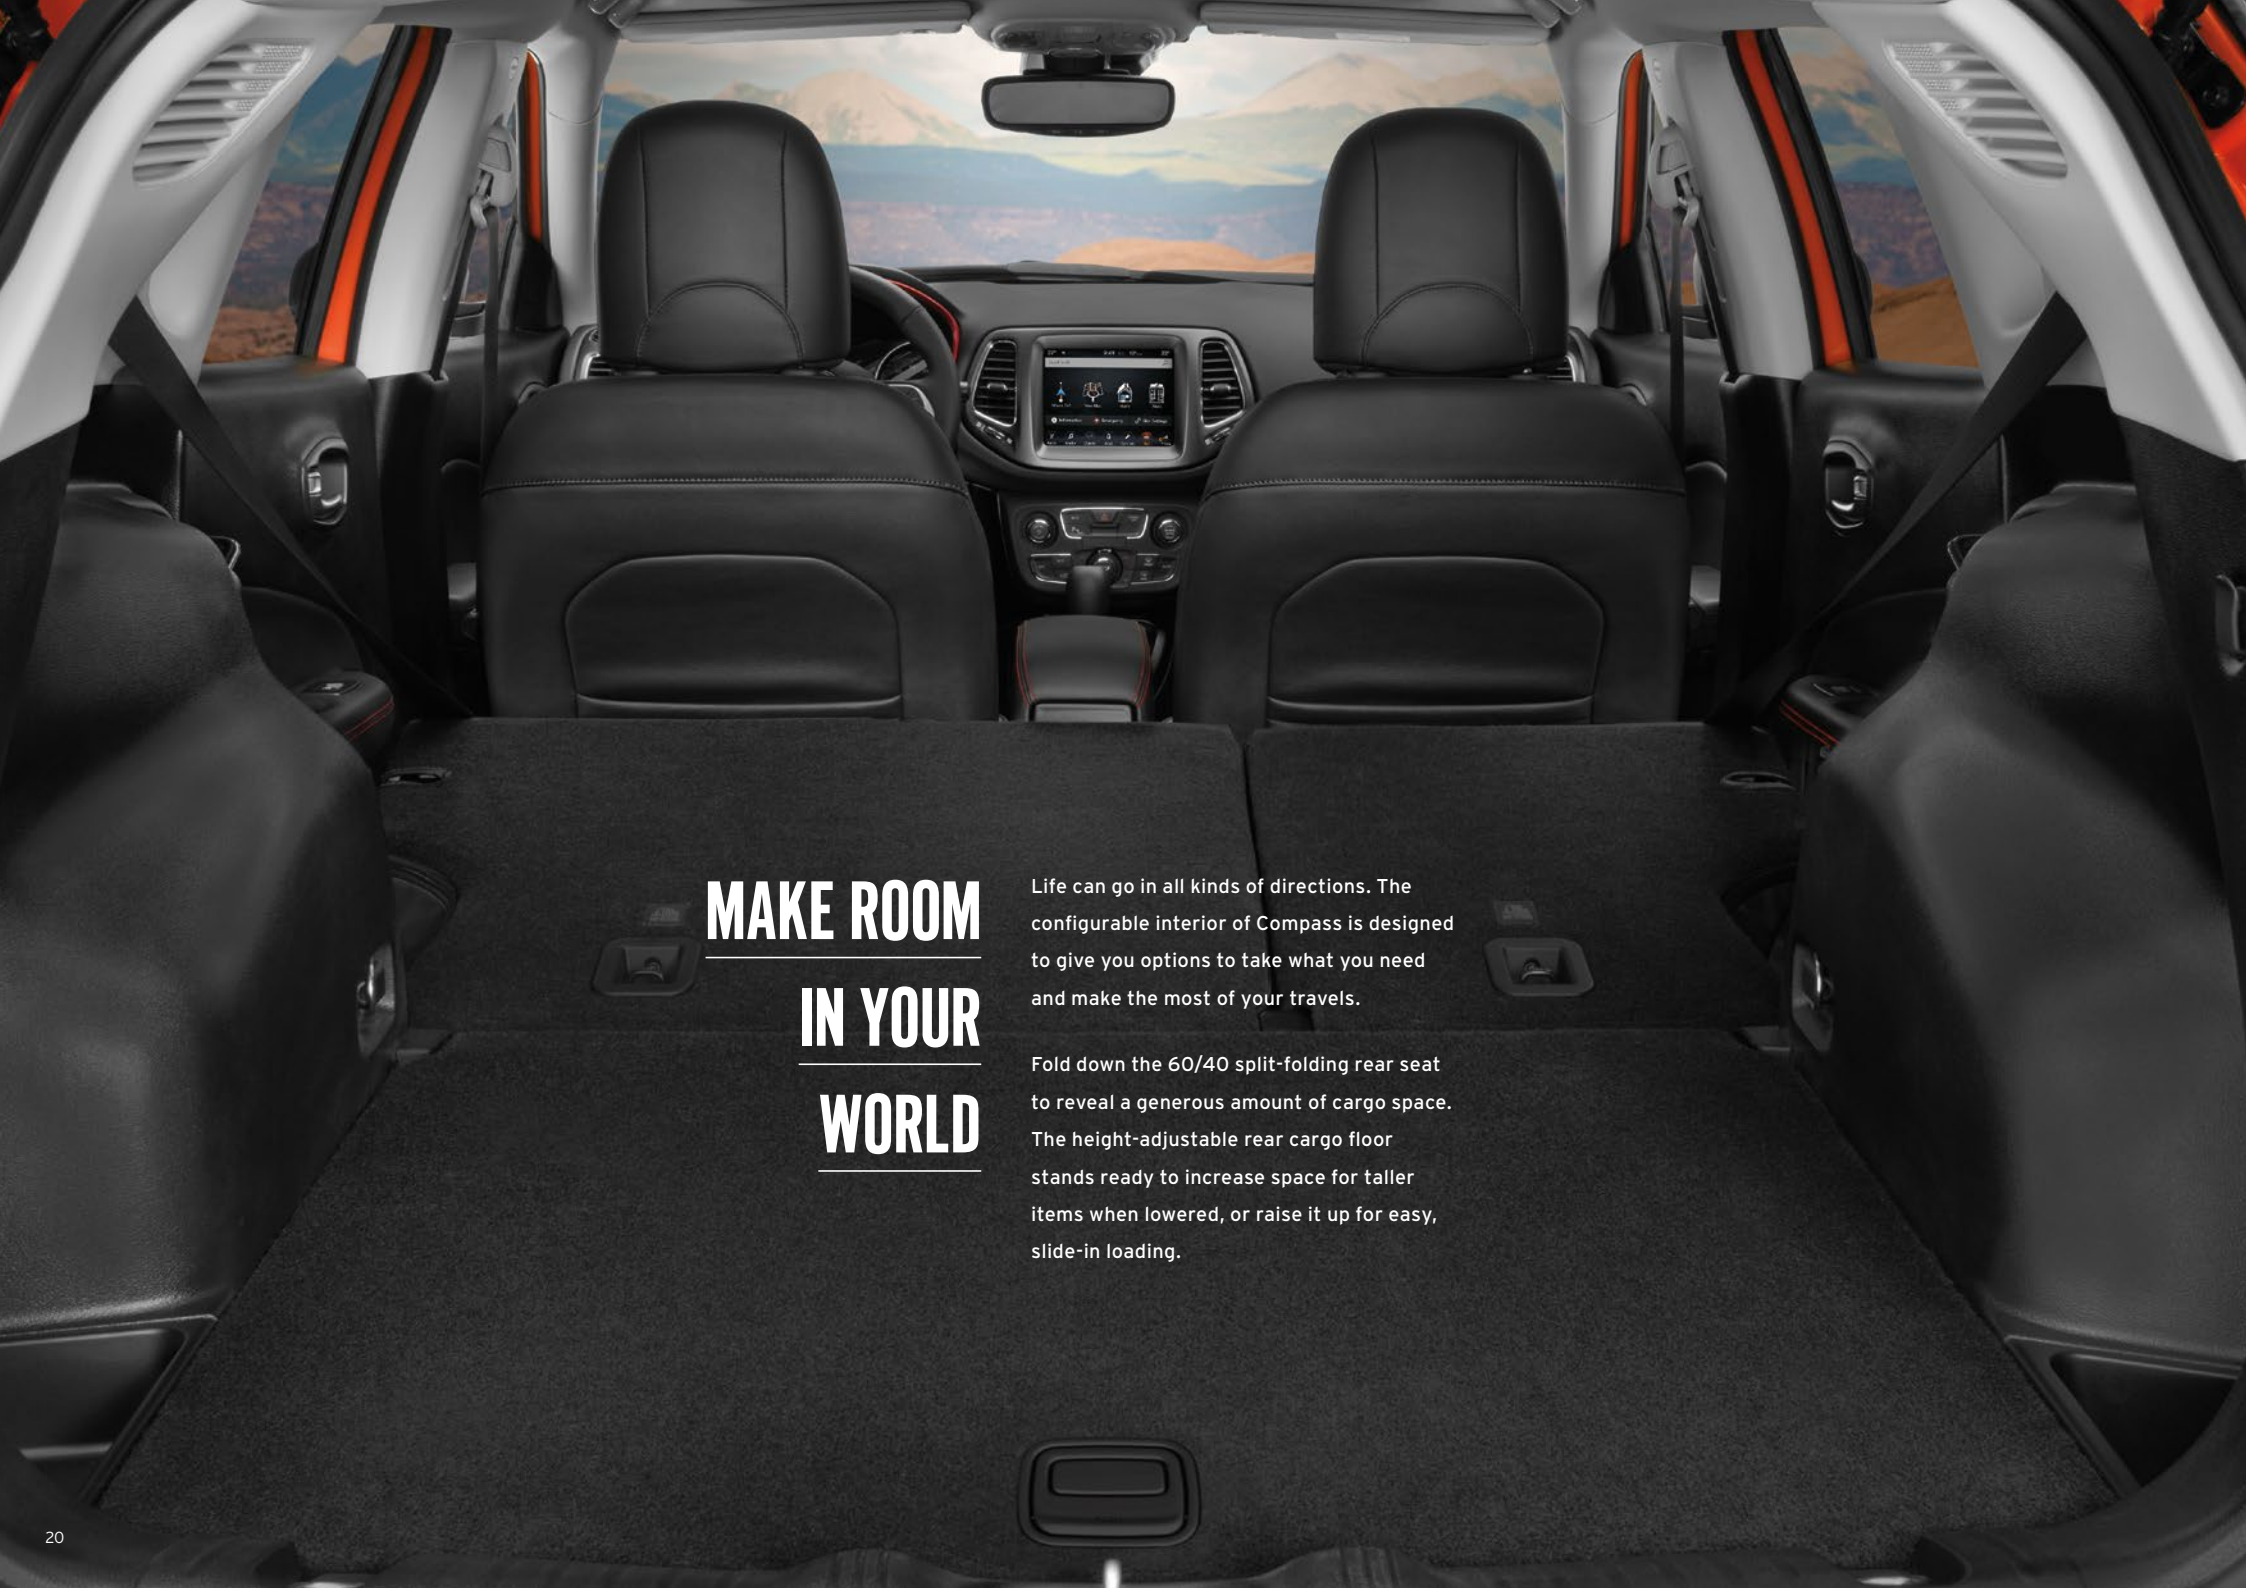

**2.4L TIGERSHARK® MULTIAIR® I-4 ENGINE** Acclaimed for its unique valve-lift system, the MultiAir technology maximizes intake manifold pressure and manages combustion quality to help the engine run more efficiently and effectively. This system reduces emissions and delivers a quiet and refined ride providing economies as efficient as 7.3L/100 km hwy (39 mpg)\*

**ENGINE STOP/START (ESS) TECHNOLOGY** Helps reduce CO<sub>2</sub> emissions and improve efficiency by using a dual-battery system and sophisticated controls to reduce fuel flow and turn off the engine when the vehicle brakes to a stop. When the brake pedal is released, the engine seamlessly restarts and the transmission engages. Standard on automatic transmissions.

\*SEE PAGE 26 FOR FULL DETAILS.

LIMITED IN REDLINE PEARL 19

## MAKE ROOM IN YOUR WORLD

Life can go in all kinds of directions. The configurable interior of Compass is designed to give you options to take what you need and make the most of your travels.

Fold down the 60/40 split-folding rear seat to reveal a generous amount of cargo space. The height-adjustable rear cargo floor stands ready to increase space for taller items when lowered, or raise it up for easy, slide-in loading.

GLOVE BOX

NET CACHE

ADJUSTABLE CARGO FLOOR

## CARGO SMART

**POWER LIFTGATE** No need to drop what you're holding to open the liftgate. This available feature lets you access the rear cargo area by pressing a button on your key fob and the liftgate will open automatically.

**FOLD-FORWARD FRONT-PASSENGER SEAT** Enhance your cargo-carrying capabilities by flipping the passenger seat forward so you can bring along longer items. Standard.

**HEIGHT-ADJUSTABLE CARGO FLOOR** Lower your rear cargo floor to accommodate the transport of taller items. Raise the floor to help ease load-ins and create a level carrying surface. This available feature adjusts up to three levels.

**60/40 SPLIT-FOLDING REAR SEATS** Configure your interior to fit your needs – each section folds separately to create a customized space and is a standard feature in every Compass.

**GLOVE BOX, CENTRE CONSOLE AND NET CACHE** Keep your phones and devices secure. Below the centre armrest console you'll find a standard, safe hidden compartment. A side net pocket keeps items within reach.

**ABOUT THIS CATALOGUE.** Since the time of printing, some of the information you'll find in this catalogue may have been updated. Ask your retailer for details. Some of the equipment shown or described throughout this catalogue is available at extra cost. Specifications, descriptions, illustrative materials and all competitive comparisons contained herein are as accurate as known at the time this publication was approved for printing. FCA Canada Inc. reserves the right to make changes at any time without notice and without incurring obligation. For the price of the model with the equipment you desire or verification of specifications contained herein, see your Chrysler, Jeep, Dodge and Ram retailer. ©2017 FCA Canada Inc. All Rights Reserved. Chrysler, Dodge, Jeep, Ram, Mopar, SRT, Compass, the Jeep grille, Mopar Vehicle Protection, Park-Sense, ParkView, Selec-Terrain, Tigershark, Trailhawk, Trail Rated and Uconnect are registered trademarks, and Keyless Enter 'n Go is a trademark of FCA US LLC. Bluetooth is a registered trademark of Bluetooth SIG, Inc. SIRIUS, XM and related marks and logos are trademarks of SiriusXM Radio Inc. Android, Android Auto, Google Play, Google Maps and other marks are trademarks of Google Inc. Apple, iPhone and Siri are registered trademarks of Apple Inc. All rights reserved. MultiAir is a registered trademark of C.R.F. Società Consortile per Azioni, used under license by FCA US LLC. Facebook and logo are registered trademarks of Facebook, Inc. The Twitter logo is a service mark of Twitter, Inc. Instagram is a registered trademark of Instagram, Inc. The trademarks Beats by Dr. Dre, Beats, BeatsAudio, and the b logo are the property of Beats Electronics, LLC. All Spotify trademarks, service marks, trade names, logos, domain names and any other features of the Spotify brand ("Spotify Brand Features") are the sole property of Spotify or its licensors.

**MOPAR VEHICLE PROTECTION.** FCA Canada Inc. has a vested interest in your satisfaction and owner experience with your new vehicle. Mopar Vehicle Protection offers extended service and maintenance plans to help ensure you'll enjoy your vehicle for many years down the road — for just pennies a day. For more information on comprehensive vehicle coverage, see your local Chrysler, Jeep, Dodge and Ram retailer or call (800) 465-2001.

**WARRANTIES.** 2017 Chrysler, Jeep, Dodge and Ram vehicles are backed by a 5-year or 100,000-kilometre fully transferable Powertrain Limited Warranty\* with \$0 deductible plus 24-hour roadside assistance. \*SRT vehicles are backed by a 3-year or 60,000-kilometre fully transferable Powertrain Limited Warranty\* with \$0 deductible plus 24-hour roadside assistance. Basic Warranty coverage is for 3 years or 60,000 kilometres.\* Rust-through coverage on all body sheet metal is for 3 years. The Cummins Turbo Diesel engine is protected by a separate Limited Warranty, covering the engine for 5 years or 160,000 kilometres.\* The EcoDiesel engine is backed by a 5-year or 100,000-kilometre fully transferable Powertrain Limited Warranty\* with \$0 deductible plus 24-hour roadside assistance.\* \*Whichever comes first. Some conditions may apply. \*The 5-Year/100,000-Kilometre Powertrain Limited Warranty does not apply to vehicles sold for certain commercial uses. See your retailer for full details.

**DISCLAIMERS.** 1) Based on total sales from January 1, 2016 to present for SUV vehicles. 2) Based on Jeep's sub-segmentation based on compact sport and cross utility vehicles including Chevrolet Trax, Mitsubishi Outlander, Subaru Crosstek, Hyundai Tucson, Kia Sportage, Mazda CX3 and Volkswagen Tiguan. 3) Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Voice commands of phone require a Bluetooth-compatible phone. 4) Preset voice to text messaging and incoming text message reading requires a MAP-enabled phone. 5) Requires SiriusXM radio subscriptions governed by SIRIUS terms and conditions available at [siriusxm.ca](http://siriusxm.ca). 6) Never program while driving. GPS mapping and available 3D navigation may not be detailed or available in all areas or reflect current road regulations. 7) This is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of their surroundings and be prepared to take corrective action to avoid collisions. 8) The Advanced Front Air Bags in this vehicle are certified to the federal regulations for Advanced Air Bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. 9) No system can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. 10) Based on Jeep's sub-segmentation based on compact sport and cross utility vehicles including Chevrolet Trax, Mitsubishi Outlander, Subaru Crosstek, Hyundai Tucson, Kia Sportage, Mazda CX3 and Volkswagen Tiguan. Best-in-class 4x4 capability based on Jeep Active Drive Low 4x4 system and best-in-class approach angle, departure angle and breakover angle. 11) Most Capable Compact SUV Ever is based on historical U.S. unibody C-SUV segment competitors as identified by 2016 CY WardsAuto Small Cross/Utility Vehicle SUV segment (years 1985-2017). 4x4 capability based on Jeep Compact SUV offering low-range power transfer unit (PTU) with 20:1 crawl ratio, low-range 4x4 capability. This claim excludes all FCA vehicles. 12) Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint.
