COMPASS

Jeep®

RAISE YOUR PROFILE

With Jeep® Compass, you're free to experience the world from a new point of view. Set your sights on travelling in a luxurious, right-sized compact SUV that offers exceptional efficiency and authentic capability.

An extensive list of standard and available premium amenities and safety features hands over a driving experience that exceeds all expectations. Thanks to its unique exterior, featuring an available Black roof, 19-inch wheels and gleaming touches of chrome, Compass definitely stands out from the crowd.

An available Dual-Pane Panoramic Power Sunroof invites you to experience plenty of sunshine and fresh air, matched with an available leather-faced interior, intuitive technology and the availability of legendary 4x4 capability.

FEEL THE FREEDOM

The available Dual-Pane Panoramic Power Sunroof with its power sunshade adds sunshine and fresh air to every drive. What's more, passengers in all rows get an incredible view of every adventure, anywhere they go.

Limited leather-faced seats with Black perforated inserts and Cattle Tan accent stitching

Adjustable cargo floor
Properly secure all cargo.

BRILLIANCE IN MOTION

NAV² RADIO You'll see your way clearly with the available Uconnect[®] 4C NAV² multimedia centre. It features the Largest-in-Class³ 8.4-inch touchscreen display with GPS navigation² and with full smartphone integration, including Android Auto^{TM4} and Apple CarPlay.⁴ Uconnect 4C also offers voice control,⁵ which helps keep your hands on the wheel. With the pinch-to-zoom feature, you can clearly see map features, so you can get where you're going right on time.

TECH TRAVELS The available 7-inch full-colour customizable display, integrated between the cluster gauges, presents navigation² details and media information such as song, artist and station. You'll also have fuel economy data, digital speedometer, the available Selec-Terrain[®] Traction Management System and more at your fingertips.

ACCENT STATEMENTS Available premium LED ambient lighting creates an elegant tone inside the cabin. Piano Black and Anodized Silver bezels with chrome knobs are available to add upscale distinction.

CUSHIONED COMFORT Compass Limited sets the stage for luxury with leather-faced seats that cradle with exceptionally generous seat padding, then add 12-way power, including 4-way lumbar adjustment for the driver, plus heating for first-row seats. The steering wheel is heated as well for quick relief from the cold.

FUNCTIONAL CONVENIENCE Save time and stay focused on what matters with an array of standard and available features that add value and convenience. Available Remote Start[®] readies the vehicle, and Keyless Enter 'n GoTM lets the driver get in, press a button and drive. Steering-wheel buttons control a list of driving and entertainment functions, while an available auto-dimming rearview mirror cuts down on nighttime glare.

ACTIVITY ROOM ADDS MORE FUN

Here's where you can make things happen. The configurable interior of Compass is designed to give you the flexibility to take what you need and make the most of your travels.

The available reversible carpet/vinyl cargo mat lines the trunk, making it easy to clean up after pets and messy supplies. Here you'll find the right tools to add more living to everyday life, as well as a nice dose of sophistication.

Glove box

Net cache

CONFIGURABLE

POWER LIFTGATE This available feature lets you access the rear cargo area by pressing a button on your key fob, opening the liftgate automatically.

FOLD-FORWARD FRONT-PASSENGER SEAT Flip the passenger seat forward to enhance your cargo-carrying capabilities. This gives you the convenient option to carry longer items. Standard.

HEIGHT-ADJUSTABLE CARGO FLOOR Accommodate taller items in your cargo area by lowering the cargo floor. Raise the floor to help ease load-ins and create a level carrying surface. This available feature adjusts up to three levels.

60/40 SPLIT-FOLDING REAR SEATS Configure your interior to fit your needs — each section folds separately to create a customized space and is a standard feature in every Compass.

GLOVE BOX, CENTRE CONSOLE AND NET CACHE Below the centre armrest console, you'll find a standard, safe hidden compartment. A side net pocket keeps items within reach. The glove box is sized to hold larger items.

Properly secure all cargo.

A NEW UCONNECT[®] GENERATION

Uconnect[®] technology takes a leap forward with a lightning-fast start-up and high-definition resolution, adding speed and vibrancy to your experience. The standard Uconnect 4 multimedia centre with a 7-inch touchscreen or available Largest-in-Class³ 8.4-inch touchscreen is immediately responsive. Pinch-gesturing to swipe and tap, just like you do on your smartphone, is available, so you can enlarge, drag, shrink and move images to meet your needs.

STAY IN TOUCH

SIRIUSXM GUARDIAN⁷ Drive worry-free when you're equipped with SiriusXM Guardian⁷ — a premium suite of safety and convenience features that can be accessed in-vehicle or through the SiriusXM Guardian⁷ mobile app. Includes a one-year trial subscription.

SIRIUSXM GUARDIAN⁷ SERVICES

- Lock or unlock your car from virtually anywhere
- Start your car and cancel start remotely
- Flash the lights and sound the horn to help find your car
- Locate your car on a map using Vehicle Finder⁸
- Send destinations to your navigation² system using Send & Go⁹
- Receive alerts with Theft Alarm Notification¹⁰

NAVIGATION² Uconnect employs GPS navigation² with the available Uconnect 4C NAV multimedia centre with an 8.4-inch touchscreen for audible turn-by-turn directions and detailed 3-D maps, to help ensure you arrive on time. The NAV is also integrated into your 7-inch full-colour customizable in-cluster display. Use voice commands⁵ with your connected smartphone to create and send texts, make and receive calls, access directions and play music. Available.

TOUCHSCREEN CONTROLS Set temperature controls, activate available heated seats and steering wheel, and so much more — all from your touchscreen.

DO NOT DISTURB This available feature allows you to see a visual prompt of incoming calls or texts and send an automated reply⁵.

Conveniently use Apple CarPlay with your iPhone[®] while plugged in inside your vehicle. Seamlessly integrate it with the Uconnect touchscreen and Siri[®] voice control⁵. Make calls, access music, send and receive messages, get directions and more while staying focused on driving. Standard.

Here's a safer way to use your plugged-in Android[™] phone while driving. Easily access Google Maps with voice-guided navigation² and Google Play Music; make phone calls or send and receive messages by voice controls⁵. Standard.

LARGEST-IN-CLASS³ 8.4-INCH TOUCHSCREEN INTUITIVE TECHNOLOGY

Apple CarPlay shown on touchscreen

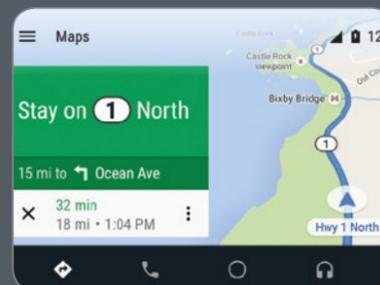

SIRIUSXM SATELLITE RADIO¹¹ delivers 120 channels to your satellite radio, including commercial-free music, plus sports, news, talk and entertainment. It also allows you to receive alerts when your favourite song is playing on another channel. Includes one-year trial subscription. Available.

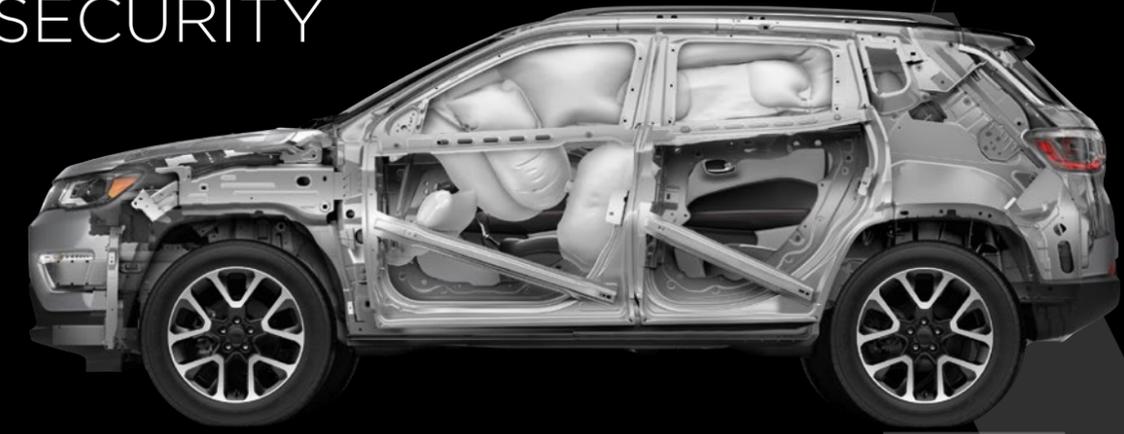

SIRIUSXM TRAVEL LINK¹² Access useful information when you need it, right at your fingertips. Get detailed weather maps, five-day forecasts and severe weather alerts, as well as sports scores and in-game weekly schedules for your favourite teams, information for fuel prices in your area and more. Your first five years of SiriusXM Travel Link¹² are included. Available.

SIRIUSXM TRAFFIC¹² Avoid congestion before you reach it. Get continuous updates on traffic speed, accidents, construction, road closures and more before you begin your travels. You will get to your destination faster and more easily than ever before. Your first five years of SiriusXM Traffic¹² are included. Available.

CONFIDENCE TAKES HOLD WITH ADVANCED SAFETY AND SECURITY

LANE DEPARTURE WARNING WITH LANE KEEP ASSIST¹³

This available feature provides a visual and steering wheel-movement warning should the system detect that the vehicle is drifting outside of lane boundaries or the driver's hands are off the wheel.

ELECTRONIC STABILITY CONTROL (ESC)¹⁴

A vehicle-wide network of standard safety sensors provides instant aid should it detect you're veering off your intended path. ESC¹⁴ coordinates Electronic Roll Mitigation, Hill Start Assist, the antilock brake system and Advanced Brake Assist, all-speed traction control, and Trailer Sway Control, sending them into action when needed.

RAIN-SENSING AND INTERMITTENT WINDSHIELD WIPERS

Storm clouds hold little influence over your daily drive. Front wipers activate when raindrops are detected with this available system, and can be set to slower, intermittent speeds as conditions change.

FORWARD COLLISION WARNING WITH ACTIVE BRAKING¹⁵

This available system has sensors that can detect when your vehicle may be approaching another vehicle too rapidly and send an audible and visual alert to the driver, along with providing a brake jerk warning from Advanced Brake Assist if the driver does not react in time.

PARK-SENSE[®] REAR PARK ASSIST SYSTEM¹³

Compass can help you park and back out with ease. This available system uses rear ultrasonic sensors to determine relative distance to objects in your back-up pathway. Read-outs in the in-cluster display and an audible warning notify you of rear-object proximity.

BLIND-SPOT MONITORING AND REAR CROSS-PATH DETECTION¹³

These available systems monitor the space between you and other drivers. When a side or rear blind spot is encroached, you're notified via illuminated icons on sideview mirrors or an audible chime.

ADAPTIVE CRUISE CONTROL WITH STOP AND GO¹³

This available system uses radar and video sensors to automatically adjust your cruising speed based on a preset speed and vehicle distance setting. In certain conditions, such as stop-and-go traffic, the system is able to bring the vehicle to a complete stop without any driver intervention, then prompts the driver to press the Resume button or tap the accelerator to re-engage to safe-range speeds.

PARKVIEW[®] REAR BACK-UP CAMERA¹³ WITH DYNAMIC GRID LINES

Back out safely with grace. This system helps bring previously hidden rear objects to your attention on screen in good time to react. Standard.

PASSIVE ENTRY As part of the available Keyless Enter 'n Go[™] this feature automatically unlocks the door upon your grabbing the handle, provided the key fob is within 1.5 metres of your vehicle. Press a small button on either front door to lock all doors and the liftgate.

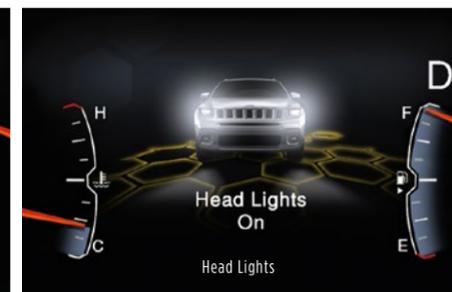

7 STANDARD AIR BAGS¹⁵ Full-length side-curtain front- and rear-passenger, driver inflatable knee bolster air bags, seat-mounted side air bags for front occupants, and advanced multistage front air bags all are standard and work together to help surround you with confidence.

INSIDER'S INFORMATION

DRIVER INFORMATION DISPLAY See a variety of operational data, front and centre, displayed within your instrument panel. Use the fingertip controls on your steering wheel to scroll through a selection of vehicle data, appearing on your instrument panel in between clusters on an available 7-inch full-colour customizable display.

Information includes navigation², capability data, performance statistics, vehicle dynamics, alerts and more. Standard on Trailhawk[®] and Limited and available on North models. A 3.5-inch monochrome, high-resolution cluster display is standard on Sport and North models.

MOST CAPABLE COMPACT SUV IN CANADA¹⁶

SELEC-TERRAIN® TRACTION MANAGEMENT SYSTEM

With the turn of a dial, you can match your capability to the road conditions ahead. Every Compass equipped with an available Jeep® 4x4 system arrives with a Jeep Selec-Terrain® Traction Management System as well, adding even more confidence to tackle Mother Nature's toughest conditions.

A variety of settings helps deliver ultimate driving stability by coordinating 12 vehicle systems, including throttle control, transmission shifting, transfer case, traction control and Electronic Stability Control!⁴ Choose from up to five sure-footed modes: Auto, Snow, Sand, Mud and, exclusively on Trailhawk®, Rock.

AUTO When turned to this mode, Selec-Terrain does all the work, automatically adjusting vehicle dynamics to best suit the road. To help ensure optimal efficiency, the rear driveline disengages when not needed.

SNOW Adjusts for ultimate performance over snow- and ice-covered roads by maximizing vehicle stability and minimizing oversteer. Major systems auto-engaged and managed in this mode include antilock brakes and traction control.

SAND The system converts to a uniquely calibrated Sand mode that utilizes aggressive throttle and upshift points to tackle looser, sand-covered surfaces.

MUD Maximizes low-speed traction by allowing additional wheel-slip via specifically tuned chassis controls, differentials and transmission ratios that are geared to successfully tackle mud.

ROCK Delivers Trail Rated® 4WD Low capability thanks to its rear-differential locking element, allowing you to crawl over rugged terrain at appropriately safe speeds. Exclusively on Trailhawk.

JEEP® ACTIVE DRIVE

A fully automatic, single-speed power transfer unit (PTU) delivers seamless operation in and out of 4WD at any speed. Yaw correction is automatic as well, helping to keep Jeep Compass stable at all times. Jeep Active Drive also includes brake traction control, which works to maintain a balanced torque distribution, helping this system deliver an easy-to-use all-weather boost in capability.

Limited in Billet Metallic

Trailhawk® in Spitfire Orange

JEEP ACTIVE DRIVE LOW

Exclusively on Compass Trailhawk. A standard single-speed PTU offers torque management and 4WD Low mode. This locks the front and rear driveshafts to deliver additional power at low speeds or for towing your toys. It adds an increase in ride height and an incredible crawl ratio of 20:1, allowing Compass to climb steep hills and crawl over rocks with ease.

REACH THE TOP EVERY TIME

Compass offers two authentic Jeep® Brand 4x4 systems, each engineered with a disconnecting rear axle that can actively transition from 4x4 into fuel-saving front-wheel drive. To enjoy this welcomed gain in efficiency, simply keep the system's standard Selec-Terrain® dial in Auto mode. Compass will then seamlessly match its Jeep-engineered capability to any road condition it encounters. When you turn the dial to another mode, 4x4 capability is always engaged and able to send 100% of available torque to any one wheel.

TRUE EFFICIENCY TAKES YOU FAR JEEP COMPASS

Fuel economy as efficient as 7.3 L/100 km hwy (39 mpg)*

STRONG AND POWERFUL ADVANTAGES

2.4L TIGERSHARK® MULTI-AIR® I-4 ENGINE

Engineered to deliver the best of both worlds: a quiet and refined performance backed by the ability to power through tough terrain. MultiAir® technology aids efficiently and effectively. This system reduces emissions and delivers a quiet and refined ride, providing a fuel economy as efficient as 7.3 L/100 km hwy (39 mpg)*.

*See page 20 for full details.

ENGINE STOP/START (ESS) TECHNOLOGY

This advanced feature on Jeep® Brand engines can help reduce emissions and improve efficiency. Its sophisticated engineering reduces fuel flow, turning off the engine when the vehicle brakes to a stop. Release the brake pedal and the engine seamlessly restarts. Standard on automatic transmissions.

Limited in Redline Pearl

Limited leather-faced interior in Black and Ski Grey with Ruby Red accent stitching

Limited in Redline Pearl

Sport in Jazz Blue Pearl

Limited in Billet Metallic

9-SPEED AUTOMATIC TRANSMISSION WITH AUTO/STICK™

Engineered for quick takeoffs and a consistently refined performance, delivering exceptional efficiencies through all gears at all speeds. A unique set of four overdrive ratios helps gain efficiencies while reducing overall noise and vibration. Economies are maximized and performance is optimal at all times. Standard on North 4x4, Trailhawk® and Limited. Available on Sport 4x4.

6-SPEED AUTOMATIC TRANSMISSION WITH AUTO/STICK

A high-precision clutch adds to a smooth and responsive performance. Efficiencies are gained with Engine Stop/Start (ESS) technology and next-generation electronics. Standard on North 4x2. Available on Sport 4x2.

6-SPEED MANUAL TRANSMISSION

Make your drive more fun. With its quick acceleration due to high maximum torque values, plus smooth, precise shifting, this transmission also offers welcomed economies. The design is compact, delivering a reduction in cabin noise, especially at highway speeds. Standard on Sport.

LIMITED

HERE, LUXURY ENHANCES
TRUE CAPABILITY

Limited in Diamond Black Crystal Pearl

LIMITED

Compass Limited takes luxury to a whole new plateau. With its shining chrome trim, Black roof and standard 18-inch aluminum wheels, Limited is impressive from every angle.

Equipped to overcome difficult road conditions with confidence via the standard Class-Exclusive¹⁷ 9-speed automatic transmission and Jeep[®] Active Drive 4x4 System with the Selec-Terrain[®] Traction Management System, powered by the 180-hp 2.4L Tigershark[®] engine.

Inside, you'll enjoy premium LED ambient lighting, Piano Black accents, leather-faced seats and surfaces with accent stitching, and standard heated front seats and steering wheel. Advanced technology features include a Uconnect[®] 4 multimedia centre with Largest-in-Class³ 8.4-inch touchscreen and a 7-inch full-colour, customizable in-cluster display. The available BeatsAudio[™] premium sound system, with nine speakers plus a subwoofer, is perfectly positioned to deliver concert-like sound quality.

Limited leather-faced seats in Ski Grey with Black perforated inserts and Ruby Red accent stitching

TRAILHAWK[®]
BEST-IN-CLASS¹
4x4 CAPABILITY

TRAILHAWK[®]

Trailhawk in Spittire Orange

TRAILHAWK[®]

Hard-working Jeep[®] Brand power and 4WD Trail Rated[®] capability are matched with exceptional style to carry you to the greatest heights. Meet Trailhawk[®] Canada's most capable compact SUV ever,¹⁶ here to prove there are no limitations when you're moved by proven 4WD.

It arrives with Jeep Active Drive Low and its 20:1 crawl ratio. It hands over the ability to seamlessly deliver power at low speeds or for towing your toys. Trailhawk is equipped with skid plate protection, increased ground clearance, and signature front and rear Ruby Red tow hooks.

This strong and attractive SUV stands apart from all others, with a unique front and rear fascia, Neutral Grey accents, a Black roof and a Black anti-glare hood decal. Red Trailhawk and Trail Rated badges signify membership in the overarching Jeep Brand family of exquisitely capable and utterly unique 4x4 vehicles, a breed unlike any other on the planet.

MOPAR VEHICLE PROTECTION. FCA Canada Inc. has a vested interest in your satisfaction and owner experience with your new vehicle. Mopar Vehicle Protection offers extended service and maintenance plans to help ensure you'll enjoy your vehicle for many years down the road — for just pennies a day. For more information on comprehensive vehicle coverage, see your local Chrysler, Jeep, Dodge and Ram retailer or call (800) 465-2001.

WARRANTIES. 2019 Chrysler, Jeep, Dodge and Ram vehicles are backed by a 5-year or 100,000-kilometre fully transferable Powertrain Limited Warranty* with \$0 deductible plus 24-hour roadside assistance! SRT vehicles are backed by a 3-year or 60,000-kilometre fully transferable Powertrain Limited Warranty* with \$0 deductible plus 24-hour roadside assistance. Basic Warranty coverage is for 3 years or 60,000 kilometres! Rust-through coverage on all body sheet metal is for 3 years. The Cummins Turbo Diesel engine is protected by a separate Limited Warranty, covering the engine for 5 years or 160,000 kilometres! The EcoDiesel engine is backed by a 5-year or 100,000-kilometre fully transferable Powertrain Limited Warranty* with \$0 deductible plus 24-hour roadside assistance!

*Whichever comes first. Some conditions may apply. ¹The 5-Year/100,000-Kilometre Powertrain Limited Warranty does not apply to vehicles sold for certain commercial uses. See your retailer for full details.

DISCLAIMERS. 1) Based on Jeep's sub-segmentation based on compact sport and cross/utility vehicles including Chevrolet Trax, Mitsubishi Outlander, Subaru Crosstrek, Hyundai Tucson, Kia Sportage, Mazda CX3 and Volkswagen Tiguan. Best-in-Class 4x4 capability based on Jeep Active Drive Low 4x4 system and Best-in-Class approach angle, departure angle and breakover angle. 2) Never program while driving. GPS mapping and available 3D navigation may not be detailed or available in all areas or reflect current road regulations. 3) Based on Jeep's sub-segmentation based on compact sport and cross/utility vehicles including Chevrolet Trax, Mitsubishi Outlander, Subaru Crosstrek, Hyundai Tucson, Kia Sportage, Mazda CX3 and Volkswagen Tiguan. 4) Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice controls, when it is safe to do so. Apple CarPlay requires a compatible iPhone connected via USB cable to the Uconnect system. Android Auto requires the Android Auto app on Google Play and an Android-compatible smartphone running Android 5.0 Lollipop or higher. Data plan rates may apply. 5) Preset voice-to-text messaging and incoming text message reading require a MAP-enabled phone. 6) Only available with automatic transmissions. 7) SiriusXM Guardian is only available on vehicles equipped with a Uconnect 4C NAV multimedia centre. All SiriusXM Guardian-equipped vehicles come with a 12-month trial effective on the date of purchase or lease of a new vehicle. Enrollment in the trial is required to receive service. Upon expiration of the trial period, purchase of a subscription is required to continue SiriusXM Guardian. Services can only be used where cellular coverage is available. See Uconnect and SiriusXM Guardian Terms of Service for complete service limitations. 8) To use Vehicle Finder, you must have the SiriusXM Guardian mobile app installed on a compatible smartphone and have an active subscription to SiriusXM Guardian. 9) To use Send & Go, you must have the SiriusXM Guardian mobile app installed on a compatible smartphone and have an active subscription to SiriusXM Guardian. 10) Theft Alarm Notification is compatible with factory-installed alarms only. 11) Requires SiriusXM radio subscriptions governed by SIRIUS terms and conditions available at siriusxm.ca. 12) SiriusXM Traffic and SiriusXM Travel Link are only available on vehicles equipped with a Uconnect 4C NAV multimedia centre. Requires SiriusXM radio subscriptions governed by SIRIUS terms and conditions available at siriusxm.ca. 13) This is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of his/her surroundings and be prepared to take corrective action to avoid collisions. 14) No system can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. 15) The Advanced Front Air Bags in this vehicle are certified to the federal regulations for Advanced Air Bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. 16) Most Capable Compact SUV Ever is based on historical U.S. unibody C-SUV segment competitors as identified by 2017 *CY WardsAuto* Small/Cross/Utility Vehicle SUV segment (years 1985 - 2017). 4x4 capability based on Jeep Compact SUV offering low-range power transfer unit (PTU) with 20:1 crawl ratio, low-range 4x4 capability. This claim excludes all FCA vehicles. 17) Based on Jeep's sub-segmentation based on compact sport and cross/utility vehicles including Chevrolet Trax, Mitsubishi Outlander, Subaru Crosstrek, Hyundai Tucson, Kia Sportage, Mazda CX3 and Volkswagen Tiguan. 18) Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Voice commands of phone require a Bluetooth-compatible phone. 19) Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint. 20) Only available with automatic transmissions.
