Leave it to Wrangler to deliver a view from the top like no other. Bearing the esteemed title of “SUV of the Year” from *Four Wheeler* magazine, Jeep, Wrangler is the proven expert at taking you sightseeing where others only dream of going. Nothing beats heading out in the open air with the top off,* the windshield down,* and authentic Jeep Brand 4x4 capability under your command. Remove all boundaries, reach the top of the mountain and live the dream.

*All disclaimers and disclosures can be found on the back cover.
THE MOST TECHNOLOGICALLY ADVANCED WRANGLER EVER. Everything in this appealing and spacious cabin supports your quest to experience the world from a bigger perspective. Throughout, you'll find exceptional technology, quality, solid fit and finish, smartly placed controls and a long list of available features that enhance every trip.

RESILIENT LEATHER A plush interior features available leather-faced seats, soft-touch surfaces and detailed accent stitching that adds a distinctive touch. Fine leather wraps the steering wheel and is also on the shift knob. Standard on Sahara® and Rubicon®.

AUXILIARY SWITCH BANK Add this bank of four switches and you're all set to include helpful accessories and even more functions to your ride.

PLUG IN AND PLAY Connect to and power up your devices with the USB, USB-C and 12-volt auxiliary input jack on the front dashboard. A 115-volt outlet and two USB ports are available on the rear of the centre console of select models.

UCONNECT® 4C NAV® WITH 8.4-INCH TOUCHSCREEN A large full-colour high-definition touchscreen display provides crisp resolution. Smartphone integration is offered with Android Auto™ and Apple CarPlay® SiriusXM Guardian® and SiriusXM Traffic and Travel Link® offer peace of mind; and 4G WiFi Hotspot®, premium pinch-to-zoom navigation® and more are available as well. Available on Sahara and Rubicon.
ALPINE® PREMIUM SOUND SYSTEM
Immerse yourself in an exhilarating audio experience with nine speakers, including an overhead sound bar, all-weather subwoofer and 552-watt amplifier. The system is enhanced by Active Noise Cancellation and acoustic laminated windshield glass. Available.

REMOTE PROXIMITY ENTRY
Keep the key fob in your pocket, and you can simply open the door, get comfortably seated with your foot on the brake, press the Start button and head out. Available.

REMOTE START SYSTEM
Climb into a pleasantly pre-heated or pre-cooled Wrangler. Activate from 100-m (328-ft) range. Available.

HEATED FRONT SEATS
You’ll have three adjustments to choose from for each seat, so you can tailor your level of warmth to weather conditions and personal preference. Available.

HEATED STEERING WHEEL
Set this feature to automatically warm the full 360° circumference of the wheel when temps dip. Available.

WEATHERPROOF PUSH-BUTTON START
The push-to-start button is protected by a water-resistant shield, so you’re always able to start up and head out should the weather outside accidentally come inside. Standard.

DUAL-ZONE AUTOMATIC TEMPERATURE CONTROL
Constantly adjusts air temperature inside the cabin to create separate customized environments for driver and front passenger. Available.

7-INCH FULL-COLOUR CUSTOMIZABLE IN-CLUSTER DISPLAY
Front and centre in the gauge cluster, you’ll find a wealth of scrollable vehicle data in full colour that you safely control via steering wheel buttons. Available.
A PROVEN PATH TO ADVENTURE

Rest assured, you and Wrangler will overcome and master the toughest road conditions out there. A rich history of proven capability travels with you on every single ride.

Rubicon® shown in Billet Metallic

TRAIL RATED®
Every Wrangler is engineered for exceptional off-road performance, and its Trail Rated® badge assures that Wrangler can master the toughest road and weather conditions. In your Trail Rated Jeep® Wrangler, you’re in command of exclusive, authentic four-wheel-drive (4x4) capability that successfully passed tests in five Trail Rated performance categories: Traction, Articulation, Manoeuvrability, Ground Clearance and Water Fording. Confidently move forward to see what the world is really made of.
JEEP® BRAND
4x4 SYSTEMS

COMMAND-TRAC® 4x4 SYSTEM For off-road and all-weather capability, this part-time, shift-on-the-fly system divides torque 50/50 between front and rear axles for tough traction. The NV241 GII transfer case shifts smoothly from 2WD to 4WD at speeds up to 72 km/h (45 mph). For serious rock-crawling, its 2.72:1 low range ensures confidence. Standard on Sport, Sport S and Sahara.

SELEc-TRAC® FULL-TIME 4x4 SYSTEM This proven Jeep, Brand 4x4 system, with its active 4WD transfer case, does all the thinking so you can concentrate on the scenery. Selec-Trac® analyzes the situation for you and sends torque to the wheels with the most grip. The system provides continuous, optimum traction that effortlessly conquers snow, ice, rocks, mud and everything in between. The system’s Smart Lock maintains constant 4x4 action when you take to the trail or face challenging road conditions. Available on Sahara.

ROCK-TRAC® 4x4 SYSTEM Rubicon® rides with this extreme 4x4 system. Its 4:1 low-gear ratio allows Wrangler Rubicon to crawl at a low speed for greater control and increases the amount of torque available at the wheels. Standard on Rubicon.

HILL START ASSIST (HSA) AND HILL DESCENT CONTROL (HDC) HSA is standard on all models and works to prevent Wrangler from rolling when starting on an uphill gradient. HDC is packaged with the available 8-speed automatic transmission, helping Wrangler navigate steep declines at a steady speed.

OFF-ROAD PAGES Access real-time performance data, like suspension travel or keeping an eye on your tilt-and-pitch. In-depth vehicle diagnostics, including wheel turn, articulation and transmission temperature, all help to provide an optimized experience. Available.
HOW DO YOU TOP THE GREATEST WRANGLER EVER?

Wrangler gives you multiple ways to become one with the universe. Three unique top styles all leave you open to experience the kind of open-air freedom that only Wrangler can deliver. So decide how you want to get your top on, then get ready to take it right off.

TOP OPTIONS

SKY ONE-TOUCH™ POWER TOP
With the touch of a button, your world opens up. In approximately 20 seconds, the Sky One-Touch™ fully deploys, utilizing a unique sliding function, even at speeds of up to 86 km/h (55 mph). Available on Sahara® and Rubicon® Unlimited models.

SUNRIDER® SOFT TOP
With an improved design and easy-to-use zipperless closure, its simple operation allows the top to glide open with the help of spring-loaded support bars. Crafted from heavy-duty, waterproof cloth material and available in Black or Heritage Tan. Standard on Sport, Sport S and Rubicon models.

FREEDOM TOP® 3-PIECE MODULAR HARDTOP
Available in Black and body-colour, this three-piece hardtop is light and easy to remove! For a full open-air experience, you can remove all three sections or let the sun in by just removing the two front panels. Available in Black on all trim levels or body-colour on Sahara and Rubicon models.
STAND OUT WHEN YOU GO OUT

STAND OUT WHEN YOU GO OUT

CANADA’S BEST-SELLING ENGINE® FOR SIX CONSECUTIVE YEARS — THE 3.6L PENTASTAR™ V6
It has starred as the engine for Jeep, Wrangler since 2009, with a much-celebrated Award-Winning history. Enhancements include weight reductions that boost the engine’s performance and friction-reducing applications that boost its smooth operation. Fuel-economy improvements of up to 13 percent compared to the previous Pentastar™ generation add even more value. The engine’s increased efficiencies are helped by the addition of Engine Stop/Start (ESS) technology, while it remains a brawny performer, boasting 285 horsepower and 260 lb-ft of torque.

2.0L I-4 TURBO ENGINE WITH eTORQUE This engine boasts 270 horsepower and 295 lb-ft of torque, and includes mild hybrid functions like transmission shift management, intelligent battery charging and regenerative braking. Direct injection boosts power while reducing emissions, and ESS technology can improve fuel economy. By including eTorque technology and its fuel-saving functions, the 2.0L engine also creates efficiencies and improvements in transmission shifts and braking. With its standard match to the 8-speed automatic transmission, you’ll enjoy strong takeoffs and smooth highway coasting.

ENGINE STOP/START (ESS) TECHNOLOGY
aids efficiency by using a dual-battery system and sophisticated controls to reduce fuel flow and turn off the engine when the vehicle brakes to a stop. When the brake pedal is released, the engine seamlessly restarts and the transmission engages.

8-SPEED AUTOMATIC TRANSMISSION With smooth, quick efficiency, this transmission provides additional gears with no gain in weight, enhanced acceleration and reduced fuel consumption.

6-SPEED MANUAL TRANSMISSION For those who prefer to really put themselves into every shift, this one’s for you. It hands you low 1st and Reverse gears, which are great for off-roading, with a vent tube that can be moved to help with water fording.8

PULLING POWER Wrangler Unlimited models can confidently tow up to 1,588 kg (3,500 lb) when properly equipped with the available Trailer Tow and HD Electrical Group. Trailer Sway Control helps keep you and the toys you tow safely on course.

Sahara® Unlimited shown in Black

8 | Towing
Uconnect® brings a wide range of communication and entertainment services straight into your vehicle, all bundled together within a robust system. With so many convenient options to choose from, discover how you would like to connect at driveuconnect.ca.

TOUCHSCREEN CONTROLS
Set temperature controls, activate heated seats and steering wheel, and so much more — all from the touchscreen. A drag-and-drop menu allows you to highlight your top six favourite features and services so they’re always in sight on your available 8.4- or 7-inch Uconnect touchscreen display.
Trips are enhanced with informative and entertaining apps. Access them on your Uconnect® touchscreen as well as your smartphone. Connected technology keeps you linked to a whole new world.

**SiriusXM Traffic**
Avoid congestion before you reach it. Get continuous updates on traffic speed, accidents, construction, road closures and more before you begin your travels. You will get to your destination faster and more easily than ever before. Your first five years of SiriusXM Traffic service are included. Available.

**SiriusXM Satellite Radio**
With SiriusXM satellite radio you can listen to commercial-free music, sports, news, talk and entertainment. You can also listen wherever you go on your portable devices with the SiriusXM App which is included with your one-year subscription. Available.

**SiriusXM Travel Link**
Access useful information when you need it, right at your fingertips. Get detailed weather maps, five-day forecasts and severe weather alerts, as well as sports scores and in-game weekly schedules for your favourite teams, information on fuel prices in your area and more. Your first five years of SiriusXM Travel Link service are included. Available.

**SiriusXM Guardian**
Drive worry-free with SiriusXM Guardian — a premium suite of safety and convenience services that can be accessed in-vehicle or through the Uconnect App. Includes a one-year subscription. Available.

**SiriusXM Guardian Services + Uconnect App**
> SOS Call
> Roadside Assistance Call
> In-Vehicle Assistance
> Lock or Unlock Your Car from virtually anywhere
> Start Your Car remotely
> Flash The Lights and sound the horn to help find your car
> Locate your car on a map using Vehicle Finder
> Send destinations to your navigation system using Send & Go
> Receive alerts with Theft Alarm Notification
> Stolen Vehicle Assistance

**SiriusXM Travel Link**
Access useful information when you need it, right at your fingertips. Get detailed weather maps, five-day forecasts and severe weather alerts, as well as sports scores and in-game weekly schedules for your favourite teams, information on fuel prices in your area and more. Your first five years of SiriusXM Travel Link service are included. Available.

**SiriusXM SATELLITE RADIO**
With SiriusXM satellite radio you can listen to commercial-free music, sports, news, talk and entertainment. You can also listen wherever you go on your portable devices with the SiriusXM App which is included with your one-year subscription. Available.
Bring the best of Google™ along with you in your Uconnect system. Easy touchscreen navigation² and voice recognition let you access Google Play Music, get directions with Google Maps™ and ask the Google Assistant™ any question on the go, at any time. Available.

PHONE/TEXT
Make hands-free phone calls¹² or use your voice to send a text. Pair up to ten Bluetooth®-enabled phones. See a visual prompt of incoming calls or texts and send an automated reply.

Display your favourite iPhone apps right on your Uconnect® touchscreen. Access your iTunes library, call anyone in your contacts list or just ask Siri¹ to help you out while you drive. Get directions, make calls and send messages, and connect to Apple Music, all without pausing your journey. Available.

NAVIGATION²
Dinner reservations at the new place in town? Uconnect employs GPS navigation² for audible turn-by-turn directions, and detailed 3D maps help to assure you arrive on time. Use Voice Command¹² and say the complete address to get directions quickly. Available.

ENTERTAINMENT
Listen to your favourite playlist from your connected device, then flip to SiriusXM satellite radio¹⁰ and enjoy the best commercial-free music, plus every major sport and the biggest names in entertainment, news and comedy. You’ll get over 150 channels, all at the press of a button. Available.

4G WIFI HOTSPOT⁶
All along the way, you can upload and download, post, and search. Uconnect with available WiFi⁶ links compatible devices to the Web so passengers can stay in play. Available.

EMERGENCY HELP
In the event of an incident, push the SOS button. You’ll be connected to a SiriusXM Guardian⁴ agent who contacts 9-1-1, provides your location and stays on the line with you until help arrives. Roadside Assistance Call puts you in touch with an agent who can get you help while you’re out on the road. Both safety features are available with SiriusXM Guardian.⁴
Everything has a place where it belongs — including the cargo you carry. Wrangler is designed to make taking to the road an easy task. Wrangler Unlimited opens up to reveal a welcoming 2,050 L (72.4 cu ft) of fun with the rear seats folded, so you can go all out when you get it all in.

**TRAIL RAIL™ CARGO MANAGEMENT SYSTEM**
Accessorize your cargo-carrying capability with this versatile system, optional on select Wrangler models. It includes aluminum rails on the tailgate and cargo floor, along with cargo anchors that lock into place (four anchors included with 2-door models, six with 4-door models).

**IN-FLOOR STORAGE BIN**
The cargo floor behind the second row of seats hides a storage area whose lid secures when the swing gate is closed — perfect for storing larger items, like computers and tools.

**MODULAR SEATBACK JEEP®, UTILITY GRID SYSTEM**
Exclusive to and integrated into the Rubicon® front seatbacks, it allows for additional flexible storage options. Durable nylon woven straps accommodate standard Modular Lightweight Load-carrying Equipment (MOLLE) style bags. An available Mopar® kit includes a set of three bags (small, medium and large), each with attachment straps and featuring the Jeep® Brand logo.

**BINS AND POCKETS**
The cabin is designed to help you stay organized with cubbies, pockets and bins throughout, giving you plenty of places to store phones, computers, tablets, maps, gaming devices and more.

**WASH-OUT INTERIOR WITH DRAIN PLUGS**
Fear no mud, dirt or slush. Every Wrangler interior is fully washable and drainable. Simply remove your carpet, get the hose and go to town. Your carpet is weather-resistant too and now easier to take out and replace, thanks to new grommets strategically placed to help reattach the carpet in the correct position.
WRANGLER ENVELOPS YOU WITH MORE THAN 75 STANDARD AND AVAILABLE SAFETY AND SECURITY FEATURES. REMAIN CONFIDENT DRIVING IN ALL WEATHER CONDITIONS, THANKS TO THE STRENGTH OF A DESIGN THAT EMPLOYS BOTH PASSIVE AND ACTIVE SAFETY SYSTEMS.

**EXPLORE WITH CONFIDENCE**

**BLIND-SPOT MONITORING** WITH REAR CROSS-PATH DETECTION
This system monitors the space between you and other drivers. When a side or rear blind-spot is encroached, you’re notified via helpful icons illuminated on sideview mirrors or an audible chime. Available.

**PARK-SENSE® REAR PARK ASSIST SYSTEM**
Employs ultrasonic sensors at low speeds in Reverse to help detect stationary objects. If the system determines that a collision is imminent, then it will provide a momentary, autonomous brake apply/brake jerk, then release. At speeds below 7 km/h (4 mph), the system will bring the vehicle to a stop before releasing.

**ADAPTIVE CRUISE CONTROL WITH STOP (ACC STOP)**
The system automatically adjusts cruising speed to maintain a preset distance between you and the vehicle ahead, and can bring Wrangler to a complete stop without driver intervention to help avoid a collision. Available.

**FORWARD COLLISION WARNING WITH ACTIVE BRAKING**
Sensors detect when you may be approaching another vehicle too rapidly. An audible and visual alert is given, along with 1.5 seconds of brake assistance if the driver does not react in time. Available.

**PARKVIEW® REAR BACK-UP CAMERA**
When in Reverse, you can look on your Uconnect® screen to see a wide-angle view of what’s immediately behind your vehicle. This system helps bring previously hidden rear objects to your attention to decrease reaction times. On-screen grid lines conveniently help you line up trailers to your hitch. The system’s camera is cleverly located in the centre of the spare tire holder. Standard.
SENTRY KEY® ENGINE IMMOBILIZER  A unique, embedded key code matched only to your vehicle helps keep your Wrangler safe where you parked it. Standard.

ADVANCED MULTISTAGE AIR BAGS15  When a crash is detected, these air bags15 deploy nearly instantaneously, providing occupant protection that’s matched to crash severity. Active vents exhaust air bags at appropriate rates, depending on impact. Standard.

SUPPLEMENTAL FRONT-SEAT-MOUNTED SIDE AIR BAGS15  Deploying from the outboard side of each front seat, these air bags15 enhance the protection of the driver and front-seat passenger in certain impacts. Standard.

BODY STRENGTH  The exceptionally solid safety cage consists of high-strength steel paired with lightweight aluminum, making Wrangler lighter in weight while still providing a very strong chassis. Standard.
BEGIN YOUR WRANGLER JOURNEY HERE

Sport arrives packed with everything truly amazing about Wrangler. Head out accompanied by an impressive list of standard features, along with authentic Jeep® Brand capability. Welcome to a comfortable on- and off-road driving experience with the bedrock of the lineup.

†Late availability
1. Be sure to follow all instructions in Owner’s Manual for removal of top and doors, and lowering of windshield. Driving with doors off and windshield down is for off-road use only.

2. Never program while driving. GPS mapping and available 3D Navigation may not be detailed or available in all areas or revised current road regulations.

3. Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Apple CarPlay requires compatible Apple device and USB cable. Android Auto™, Apple CarPlay™, and SiriusXM Guardian require specific vehicle verification. Some vehicles may require optional feature. Android Auto™ requires Android smartphone running Android 5.0 (Lollipop) or higher. Data plan rates may apply. 4. All SiriusXM Guardian-equipped vehicles come with a 12-month trial service on the date of purchase of a new vehicle. Equipment in the trial is required to continue service. Downgrading to the on-demand service is required to continue SiriusXM Guardian. Services can only be used where cellular coverage is available. See Uconnect and SiriusXM Guardian Terms of Service for complete service limitations. 5. Siri Eyes Free requires an iPhone equipped with Siri. Certain features not available while the vehicle is in motion. iPhone must be within active cellular range.

6. Three-month / 1GB trial included with the purchase or lease of a new vehicle. Upon expiration of the trial period, purchase of a subscription is required. Wi-Fi hotspot available through third-party subscription. Requires Internet-enabled mobile device. 7. Data plan rates may apply. The Uconnect™ system is available when the vehicle is in motion. Android Auto™ requires the Android Auto™ app on Google Play and an Android-compatible smartphone running Android 5.0 (Lollipop) or higher. 8. Android Auto™ is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of his/her surroundings and be prepared to take corrective action to avoid collisions.

9. No system can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behavior to prevailing road conditions.

10. Always off-road responsibly in approved areas. When equipped with Remote Start System. 11. Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Voice commands of phone require a Bluetooth®-compatible phone. 12. Siri Eyes Free requires an iPhone equipped with Siri. Certain features not available while the vehicle is in motion. iPhone must be within active cellular range. Customer's existing iPhone data rates apply to Internet-supported features. 13. Three-month / 1GB trial included with the purchase or lease of a new vehicle. Upon expiration of the trial period, purchase of a subscription is required. Wi-Fi hotspot available through third-party subscription. Requires Internet-enabled mobile device. 14. Data plan rates may apply. The Uconnect™ system is available when the vehicle is in motion. Android Auto™ requires the Android Auto™ app on Google Play and an Android-compatible smartphone running Android 5.0 (Lollipop) or higher.
